

My name is George O'Rourke, and I'm currently an HNC Hospitality student and class rep. Being a mature student, I've already faced a lot of life's challenges, so I know what's ahead of you and how to survive when things get tough.

If you vote for me, what's in it for you?

Well, I'm a straight talker for one. I'm not going to promise you anything I can't deliver. If I don't know the right advice to give you, or I'm not sure how to solve your problem - I'll find someone who can. We'll learn together. What I can promise is that I will take your views, opinions, and issues seriously. I'm a good listener, so if you want to get something off your chest, then feel free to vent. I have an open-door policy, and I'm never too busy to help. I'll go the extra mile for you.

What's in it for me?

I get to meet students from every course, from different cultures and diverse backgrounds. I get to know what matters to you and hopefully build lasting friendships. But more than anything, I get to make a difference. I get to help YOU make a difference.

I have lots of ideas too, things to make college life that little bit easier. Whether it's microwaves in the canteen, free fruit days, tea and toast in the mornings - let's get it done together. This is YOUR college, YOUR future. Together we can make a difference.
