THAILAND - JUNE 19TH TO 21ST

ยินดีต้อนรับ

WELCOME TO THE 14TH EDITION OF IMCAS ASIA IN BANGKOK, THAILAND!

We are honored to welcome you to Bangkok for another exciting edition of IMCAS Asia!

IMCAS Asia gathers world-renowned dermatologists, plastic surgeons and aesthetic practitioners from all around the globe for a truly international exchange. The primary goal of IMCAS is to bridge the gap between plastic surgery and dermatology with presentations of the latest scientific content by our speakers and technologies by our exhibitors. It is the congress that brings together the most prominent physicians of Asia to help delegates and exhibitors get a better glimpse of the tendencies and expectations specific to the region.

It's the synergy from these interactions that has led IMCAS Asia to become one of the congresses at the forefront of aging science. The numbers are an excellent representation of the growing influence of IMCAS Asia. Following last year's success in Bangkok, this year we are expecting over 1,800 international attendees with 70 companies, 170 scientific sessions led by 200 expert speakers, which makes Bangkok the perfect stage for worldwide exposure.

Browse through the catalog for the 14th edition's features and products that will help captivate the attendees' attention.

Be sure to participate in the Networking cocktail on Friday evening and our esteemed Gala Dinner on Saturday evening for a chance to meet and exchange with all participants in an amiable setting. Don't miss this opportunity to connect with physicians and industry representatives alike on a more profound level.

As you can see, we have three action-packed days prepared for you in the spectacular destination. Join us in Bangkok and be part of the world's leading medical aesthetic congress.

We look forward to welcoming you.
