

# STANDARD AND CUSTOM HEAVY DUTY TRAILERS

# WHO WE ARE

**Our people's dedication and passion for building a superior product contribute to the long-term growth, value and overall success of our customers and the strength of our products.**

With four decades of experience and expertise in the custom manufacturing of vocational vehicles, Gincor Werx is an industry leader known for its quality workmanship and technical innovation. Our product offering includes dump bodies, snow and ice equipment, flat decks, and van bodies. Our trailer offering includes heavy haul, equipment, tag, step deck, and live bottom trailers.

The acquisition of Durabody Industries in 2015 marked the beginning of rapid growth for the corporation with the ultimate goal of strengthening its overall product portfolio. The acquisition of JC Trailers in 2016 followed by opening Gincor Trailer Werx in 2017 greatly enhanced our product offering to an already solid industry identity.

1978

## GINGRAS CORRIVEAU

Gingras Corriveau humbly began as a family business in 1978 and grew to become a leader in the vocational truck, trailer and service industry today.

2002

## GIN-COR INDUSTRIES

2002 issued in a changing of the guard when Luc Stang became CEO and President. Fueling the company's success saw the acquisition of Durabody in 2015.

2015

## DURABODY INDUSTRIES

By 2015 Gincor had become Canada's largest vocational upfitter with manufacturing, installation, service and customization capabilities. Fueling the company's success saw the acquisition of Durabody in 2015.

## JC TRAILERS

Based on a long standing business model of seeking out opportunity and the desire to expand its current product offering led to the acquisition of JC Trailers in 2016.

2016

2017

## GINCOR TRAILER WERX

The opening of Gincor Trailer Werx (formerly the Blenheim operation of Cross Country Trailers) in December 2017, secured Gincor's position as Canada's largest supplier of truck equipment and trailers.
