

Llangrove CE Academy
Pupil Premium Allocation 2014 - 2015

The 'Pupil Premium' was introduced in April 2011. The Government provides additional funding for certain groups of pupils: those who are eligible for Free School Meals (FSM), children who are looked after and pupils whose parents are in the armed forces. This includes pupils who have been eligible for FSM within the past 6 years (FSM Ever 6).

"It is for schools to decide how the Pupil Premium...is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility." Source DfE website.

For the year 2014-2015, Llangrove CE Academy has been allocated £9,100 to spend on initiatives to ensure that these children reach their full potential - academically, socially, emotionally and behaviourally.

For this academic year we are allocating the money in the following way:

Learning has been enhanced as a result of the educational visits and the swimming lessons have enabled children to develop safe play skills around water.</p> <p>There are noticeable improvements in knowledge and application with the extra TA support and 1:1 intervention groups.</p>	To continue during 2015/16
<ul style="list-style-type: none"> • Forest School Programme: training and provision. 	£1,000	<p>Children have gained in confidence and are more able to persevere with tasks they have previously found challenging. They have developed skills of working as part of a team, decision-making, sharing with others and using their initiative. These skills are also being transferred to more academic subjects.</p>	No further training required but provision and CPD to continue.

<ul style="list-style-type: none"> TA Support in classrooms 	£4,000	TA support enables children to access all areas of the curriculum regardless of their level of ability.
