Pact Ventures

An Overview

What do we believe?

At the heart of Pact Ventures, we believe that markets and private capital can be incentivized to accelerate development and impact

We bring new approaches to solving social challenges...

SYSTEMIC APPROACHES to systemic problems

MARKET-BASED mechanisms and incentives

INNOVATIVE FINANCING models to align social outcomes and economics interests

... by intersecting multiple disciplines and experiences...

FINANCIAL INCLUSION
(banking, policy, advisory)

HEALTH SYSTEMS
(practitioner, public health)

TRANSACTIONS
(impact investing, M&A, debt/equity financing, PPP)

DEVELOPMENT in EMERGING MARKETS
(Sub-Saharan Africa, East/Southeast Asia)

... developed and grounded in tri-sector backgrounds.

60

years of tri-sector experience

INDUSTRY COVERAGE in policy, development, private sector, and markets

FUNCTIONAL EXPERIENCE in investment banking, private equity, management strategy, and entrepreneurship

What does Pact do?

HEALTH

In partnership with communities, governments, local nonprofits, and care providers, Pact works to **IMPROVE HEALTH AND SOCIAL SYSTEMS GLOBALLY**, with a focus on marginalized populations.

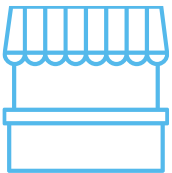

MARKETS

Pact's Mines to Markets program partners with artisanal miners, governments, and industry to make the sector **SAFER, NON-EXPLOITATIVE, AND SUSTAINABLE**, leveraging markets as a force for change.

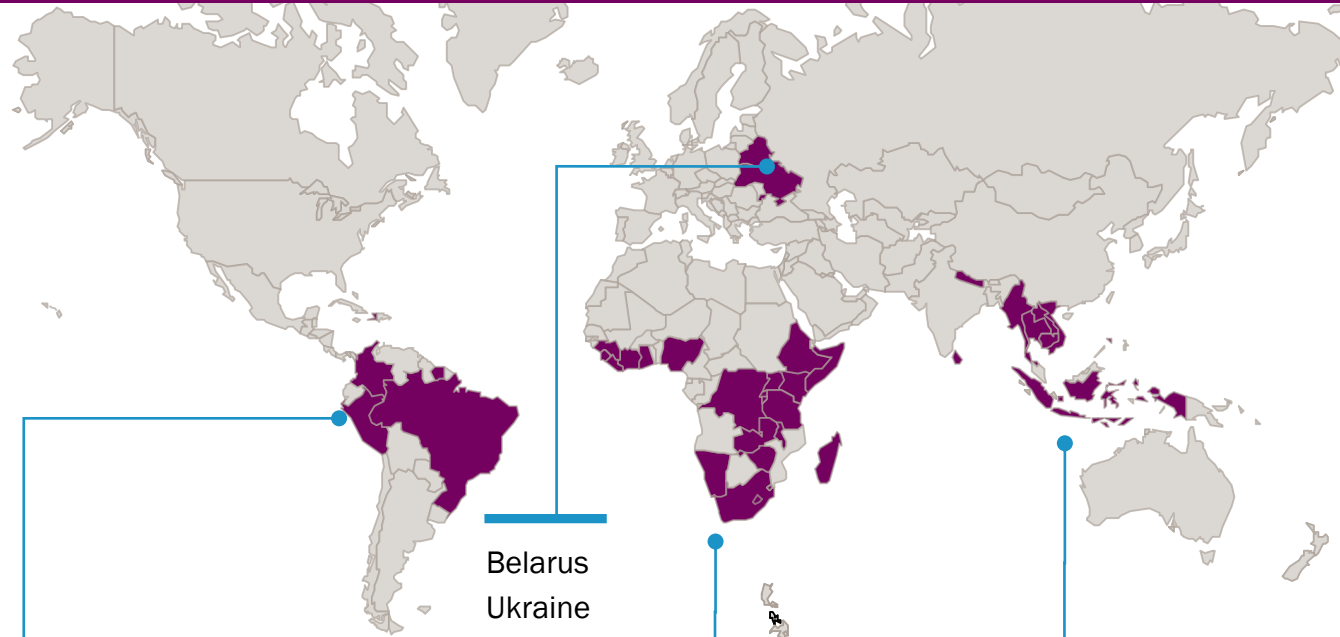

LIVELIHOODS

Pact helps communities **DEVELOP SKILLS AND RESOURCES NEEDED TO EARN A DIGNIFIED LIVING**, from training in entrepreneurship to access to affordable credit.
