

Rules Of The Road

All drivers and vehicles must adhere to the following rules at all times while on the premises. Violations may result in the cancellation of a truck move in progress and/or expulsion from the terminal.

1. Drivers shall not exceed the terminal's speed limit of 20 kph (or otherwise posted speed).
2. Drivers shall come to a complete stop at every intersection.
3. Drivers shall obey all posted signs and all directions given to them by terminal staff.
4. Drivers shall yield the right of way to any pedestrians and to any container handling equipment.
5. Driver must turn off the engine and apply brakes at In/Out Gate.
6. Traffic headlights must be turned on at all times.
7. Drivers shall not release air-brakes at the intercom.
8. U-turns are prohibited.
9. Drivers shall be alert and aware of overhead cranes.
10. Drivers must remain in the cabs of their tractors unless otherwise instructed. If there is a problem, turn on four-way flashing lights to alert GCT personnel.
11. Drivers must follow marked traffic patterns and refrain from blocking or cutting through any centre lane ways, runways or walkways.
12. Drivers shall not utilize cellular phones while driving within the terminal.
13. No passengers are permitted in the cab of any tractor while on the premises.
14. No alcoholic beverages are permitted within the terminal.
15. Drivers shall not litter or loiter while in the terminal.
16. All vehicles entering the terminal are subject to search at any time.
17. Drivers shall not take photos or videos at any time while in the terminal.
