

The Fiat Ducato Minibus

gowrings
celebrating 50 years
mobility

The versatile minibus that can be driven
on a standard car licence

The vehicle

The new Gowrings Mobility Fiat Ducato Wheelchair Accessible Minibus is designed to deliver maximum performance and get every passenger to their destination in the utmost comfort.

It is available with up to 16 passenger seats and up to 2 wheelchair positions making it a flexible transport solution for healthcare providers, local authorities, schools, businesses and a wide range of community transport services.

The driving experience is enhanced by Bluetooth Radio, USB and AUX input connectivity, height adjustable driver seat and rear parking sensors as standard. Peace of mind is provided with a vehicle alarm and that the Gowrings Mobility Fiat Ducato is approved and certified by DVSA.

In addition, the Ducato offers some of the lowest running costs on the market, with a range of eco-friendly engines guaranteeing great fuel economy and performance.

Fiat Ducato key features

- 6 speed manual or automatic gearbox
- Electric heated door mirrors
- Near side sliding door
- Height adjustable driver seat
- Fully tracked floor
- Removable seats to allow multiple configurations
- Tachograph

Optional extras

- Rear cabin heating and cooling
- Reversing camera
- Additional wheelchair positions
- Public service pack – including COIF and relevant signage

Who can drive?

If you hold a driving licence issued prior to 1st January 1997, you are likely to be able to drive this minibus with up to 16 passenger seats using your current car driving licence, as long as there is no payment from or on behalf of the passengers (it is not for 'hire or reward').

Conditions you must meet.

You can drive a minibus within the UK as long as the following conditions apply:

- You are 21 or older
- You have had your driving licence for at least 2 years
- You are driving on a voluntary basis and the minibus is used for social purposes by a non-commercial body
- The maximum weight of the minibus is not more than 3.5 tonnes - or 4.25 tonnes including specialist equipment for disabled passengers, e.g. a wheelchair ramp. The Gowrings Mobility Fiat Ducato is weighed under 4.25 tonnes.

If you have passed your driving test on or after January 1st 1997 and you wish to drive this minibus it is likely you will have to pass a D1 driving test.

For further information, visit www.gov.uk/driving-a-minibus.

The conversion

For over 50 years Gowings Mobility has been providing high quality accessible transport to the disability market and this wealth of experience goes into all of our conversions.

A discreet, electrically operated under floor lift (max weight 350kg) is provided as standard at the rear making wheelchair access easy and when not in use, folds neatly away into a protective cartridge on the underside of the vehicle.

We have replaced the standard step with a robust electric side step as standard to aid side access.

The rear passenger seats and restraint system can be removed and repositioned, giving the user the flexibility to configure the vehicle to best meet their individual needs.

Underfloor rear lift

Robust electric side step

Flexible seat belt positioning

Lightweight seats are easily removable

Discrete underfloor lift storage

Fully tested wheelchair restraints system

Ready to find out more?

Whether your business has continuous or occasional requirements for transporting wheelchair passengers, the Fiat Ducato is the perfect choice. One of our advisors will discuss your specific requirements to ensure that you make the right choice for your motoring needs. They can also advise on the buying options: cash, finance, Motability or leasing.

Free demonstration service*

We will bring the Fiat Ducato to you to confirm that it is the most appropriate choice for your motoring needs.

We recommend that transport operators invite clients and service users to the demonstration to ensure that you get the most out of the day. This service is free and carries no obligation.

Once you have placed your order a member of our delivery team will keep you updated with the progress of your order, and once delivered, our relationship continues throughout your ownership of the vehicle, with our excellent aftersales support.

What to do now

Please call us on Lo-Call 0845 608 8020 to discuss your requirements and to book a free, no obligation demonstration. We look forward to hearing from you.

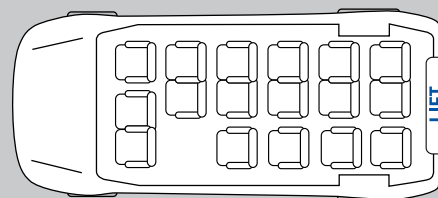

*Mainland UK only
