Financial information

- Our financial information can be found at:

www.dvst.org.uk.

Page – about us. Financial activities report

Last years published accounts can be seen.
This years accounts will go up in due time.

Trust Objectives this year

- To continue to make sure we are financially viable by continuing to monitor the income and expenditure of the school, making changes where deemed necessary to assist us in this goal
- To start the process of raising funds to purchase our own building. Working with an organisation abroad. Looking at the possibility of working with a fundraising campaign manager.
- To register with the Independent Schools Association for links with other schools, for support through cluster meetings and for future Ofsted inspections

Trust Objectives this year

- To support the Head teacher to allow us to go from a 'requires improvement' grading to a 'good school' grading as identified by Ofsted.
- To continue to work on our Quran curriculum, amending, developing and refining it as required
- To bring in intensive training for our Quran teachers, working with other organisations and individuals, to facilitate this

Trust objectives next year

- Ongoing – raising funds to purchase our own building
- Increasing our Hifdh provision for children in Y4 or 5 to Y6, allowing some children to access a more intensive memorisation programme
- Continue to focus on Whole Child Development through new initiatives, such as:
 - ❖ Introducing other types of teaching, such as Forest School
 - ❖ To look at developments in education that are proving to be of great benefit to children's speaking and reasoning skills, such as philosophy

Trust objectives next year

- Other initiatives – to benefit the community, such as:
 - ❖ Adult Education classes such as Tajweed and Parenting classes
 - ❖ Mother and toddler classes with basic Montessori style teaching methods and the philosophy behind it being taught
 - ❖ Working on opening a Quran teacher training college.
