- Current Grade = grade that students are currently working at.
- Anticipated grade = grade that students could achieve with high attendance, motivation and integrity.

Supporting Notes:

- **ATL:** Every student at Aylesford School is encouraged to maximise their ability. Your son's/daughter's **Attitude to Learning** will play a key role in achieving this ambition. We expect all students to demonstrate a high level of commitment and motivation both in the classroom and at home. Each teacher will provide an Attitude to learning level where 1 = Outstanding to 4 = Significant Concern
- **Grades:** D=distinction, M=merit, P=pass. When converted to grades then a distinction is equivalent to an 'A grade' and a pass is equivalent to an 'E grade'. English and Maths resit grades will still be given as a numerical grade e.g., 9-1
- **Attendance:** Regular and on-going attendance will provide the opportunity for each student to develop their full potential during their time at Aylesford School. Regular attendees make **better** progress, both academically and socially. Statistics demonstrate a direct link between under-achievement and attendance below 95%.
