

BIGHORN

January 9, 2020

Bighorn Golf and Country Club would like to remind Sun Rivers residents that the golf course is private property. However, Bighorn wishes to share the beautiful open space and allow limited access to the golf course lands to all Sun Rivers residents and their pets during the golf off-season only.

*Due to the potential adverse impact on the condition of the golf course, **access does not include any golf green, tee-off boxes, or sand bunkers.** It is important that all pet owners clean up after their pets and dispose of the waste in the containers provided by Sun Rivers.*

Bighorn's approval of limited access during the off-season is subject to change. If compliance to the conditions of use is not followed access privileges will need to be revoked – misuse by a few may result in removal of access privileges for all. Self-policing is encouraged.
