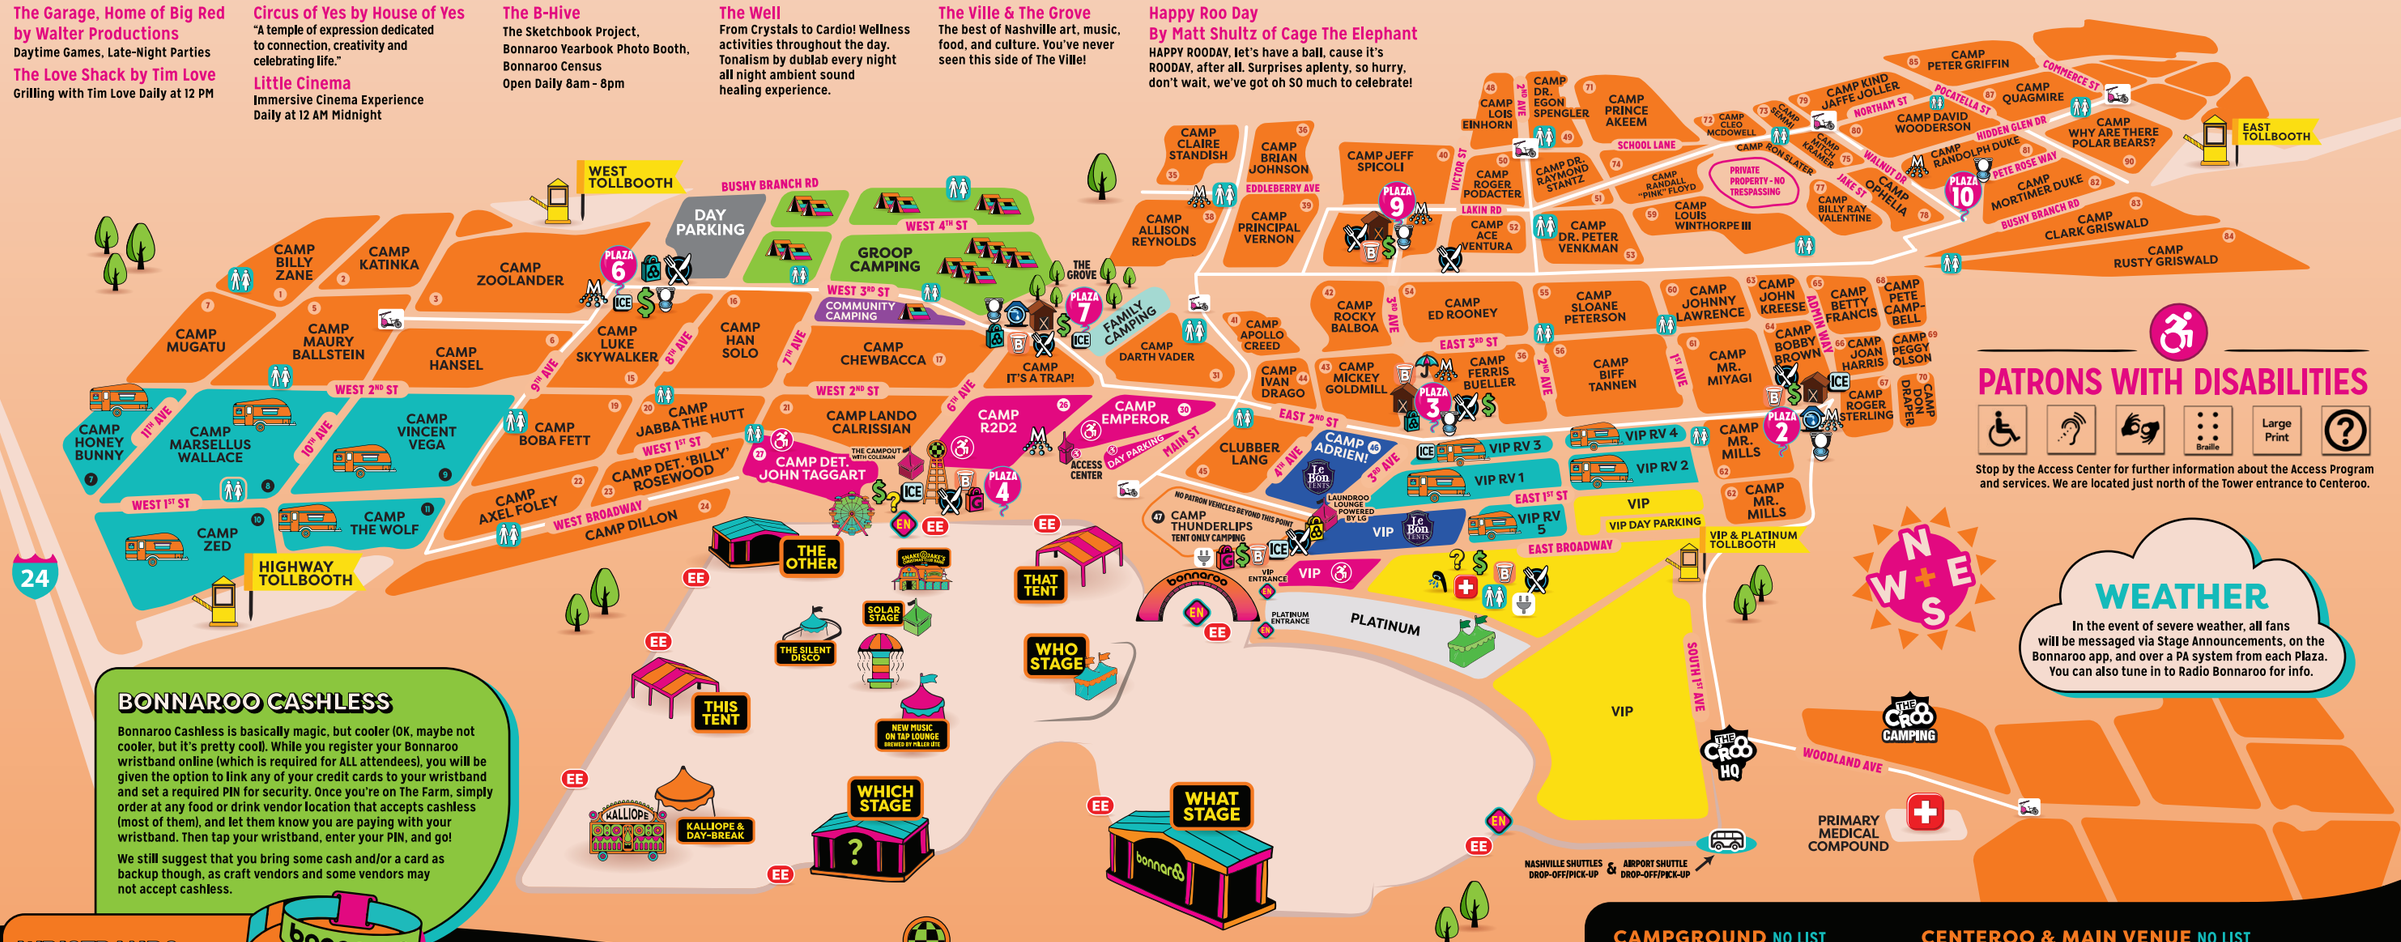
HAPPY ROODAY, let's have a ball, cause it's ROODAY, after all. Surprises aplenty, so hurry, don't wait, we've got oh SO much to celebrate!



PATRONS WITH DISABILITIES

Large Print
Braille

Stop by the Access Center for further information about the Access Program and services. We are located just north of the Tower entrance to Centeroo.

WEATHER

In the event of severe weather, all fans will be messaged via Stage Announcements, on the Bonnaroo app, and over a PA system from each Plaza. You can also tune in to Radio Bonnaroo for info.

BONNAROO CASHLESS

Bonnaroo Cashless is basically magic, but cooler (OK, maybe not cooler, but it's pretty cool). While you register your Bonnaroo wristband online (which is required for ALL attendees), you will be given the option to link any of your credit cards to your wristband and set a required PIN for security. Once you're on The Farm, simply order at any food or drink vendor location that accepts cashless (most of them), and let them know you are paying with your wristband. Then tap your wristband, enter your PIN, and go!

We still suggest that you bring some cash and/or a card as backup though, as craft vendors and some vendors may not accept cashless.

WRISTBANDS

We use an ultra-high security wristband system called RFID (Radio Frequency Identification) that equips each wristband with its own uniquely coded chip. Wristbands must be worn at all times. Your wristband will be scanned each time you enter/exit Centeroo, The Arch, or The Woodlands entrance to What Stage, and when you enter/exit the campgrounds at the tollbooths.

Do not tamper with your wristband in any way. Do not cut, burn, stretch, fold, spindle, or mutilate it. Altered wristbands will be invalid and any person in possession of an altered wristband will be charged a replacement fee or may be ejected from the festival site.

If you have any questions or problems with your wristband (even if it itches) visit one of the three Wristband Customer Service stations located at the Centeroo entrance, The Arch, and The Woodlands entrance to What Stage.

CAMPGROUND NO LIST

No weapons of any kind, fireworks, illegal substances, vending, glass containers, pets, glowsticks, laser pens or similar focused-light devices, bicycles, scooters or personal motorized vehicles (this includes but is not limited to: golf carts, ATVs, motor scooters, powered skateboards, and airboats).

For safety reasons, any form of transportation that would carry you faster than a walking pace will not be allowed. This applies to all areas—camping, parking, in Centeroo/Main Venue, everywhere.

CENTEROO & MAIN VENUE NO LIST

No backpacks (see bag policy), cans or bottles of any kind, food (small snacks ok), alcohol (water ok), video recording devices, professional photography equipment or cameras with detachable lenses longer than two (2) inches (point-and-shoots without additional lenses are fine), totems taller than 6 feet and thicker than 1/2 inch (all totems must be made of light material: swim noodles, foam type material, cardboard tubes, fabric, paint, string, yarn, light plastic, balloons and/or blow up items – totems made of wood, metal, and/or PVC material will NOT be allowed, this includes flag poles and heavy sticks), selfie sticks that extend longer than 40" and made of heavy material, laser pens or similar focused-light devices, lawn chairs, umbrellas or any other items that might impair the sightline of other spectators (including flags that contain metal pieces and/or that can be pounded into the ground). We reserve the right to add items to this list if necessary.

All patrons will be subject to a search by security personnel. Please be advised that the security companies, facility, promoters, and performers will not be responsible for any items confiscated during search procedures.

CENTEROO & MAIN VENUE BAG POLICY

The following types of bags are allowed inside Centeroo & Main Venue: bags made of clear plastic, clear vinyl or clear PVC, which do not exceed 20" x 15" x 9", one-gallon clear zip-top bag, small clutch bags, up to 4.5" x 5.5", waist packs or "fanny-packs" or similar, empty hydration packs, limit 2 pockets (1 for empty bladder + 1 additional smaller pocket).

CENTEROO & MAIN VENUE HOURS OF OPERATION

Centeroo is the heart of the festival, where you'll see performances, check out the vendors, and explore all kinds of activities. It opens at noon on Thursday, June 7th, and will stay open non-stop until Sunday night at 10:30 PM.

Adjacent to Centeroo is the Main Venue, where the What Stage is located. Its hours are different from Centeroo. The Main Venue opens at 2 PM on Friday, Saturday, and Sunday. The Main Venue closes after the What Stage headliner takes their last bow on Sunday. The parking lot and campground will close at 12 PM on Monday, June 11th.

HELP KEEP THE SCENE CLEAN

With great fun comes great responsibility. Please help Clean Vibes, our heroic trash and recycling crew, by keeping your site and the concert areas clean. Recycle, compost, and pick up after yourself.

What goes where?

RECYCLING
Place in recycling collection bins throughout site and blue bags at your campsite. All plastic containers, aluminum and tin cans, glass, clean mixed paper, drink cartons, plastic packaging and grocery bags can be recycled.

COMPOST Place all food waste and other compostables in compost collection bins throughout site or in clear bags at your campsite. (Do not contaminate with trash.) All plates, cups, forks, and other food service items sold by festival vendors are compostable.

CIGARETTE BUTTS
Place in butt bins located throughout Centeroo for recycling or collect and turn them in at the Clean Vibes Trading Post for prizes.

LANDFILL
If it can't be recycled or composted, place it in the landfill collection bins throughout the site or in a clear bag at your campsite. Styrofoam, chip bags, ice cream and candy wrappers should go in this bin.

When the music stops, please clean up your campsite (get extra bags at your Plaza). Pick up bottle caps and other debris. Tie up your bags and leave them at the edge of the road. We'll take it from there. Collect cans, cups, and bottles or cigarette butts using a bag from the Clean Vibes Trading Post Check-In in Planet Roo and trade them in for points to redeem for a variety of great prizes.

CENTEROO ADDITIONAL TICKETING

Generally speaking, you do not need to purchase another ticket for the various activities thorughout Centeroo, with the exception of the Ferris Wheel and the Big Ass Water Slide. However, there is a limited capacity to some areas, and entry to the tents will be on a first come, first serve basis.
