About Vexil BPS

Vexil Business Process Services (Vexil BPS) is a Private Limited Company promoted by a group of technocrats highly experienced in Management Systems Certification, product certification and training activities. The Vexil BPS team understands your requirements and delivers services suiting your needs and targets. The objective of the company is to provide Management Systems Certification services for ISO 9001, ISO 14001, OHSAS 18001 and other Management Systems and Training to personnel of the organizations in all sectors.

What is QMS LA

This Quality Management System Lead Auditor Training has been developed as per ISO 9001:2008 standard. Audit management and auditor requirement are included based on ISO 19011:2011.
The successful completion of this course will help personnel willing to register themselves with NBQP.

Who should attend?

Management Representative

Existing Lead auditors in OHSMS / EMS aspiring to perform integrated audits.

Management System Consultants/QMS Professionals

Personnel involved in management of QMS in an organization.

Students willing to make career as a QMS professional

Personnel involved in QMS education

Note: It is recommended that the participants have adequate knowledge of ISO 9000 Standards and auditing experience, absence of which may lead to unsuccessful completion of the course and the gaps in this knowledge may not be covered in this course.

Why one should attend?

Effective implementation of QMS in an organization

Ease of legal compliance

Increased job opportunities

Fulfill initial requirements for QMS Auditor/Lead

Auditor registration

The contents of the course
