Elegant Oak

Featuring a contemporary square edge profile, **TOP SHAPE 25mm WORKTOPS** are laminated on both sides with the same high quality laminate. The 25mm range has the look and feel of luxury solid surfaces such as granite, but without the price tag.

Easy to install, you will be astounded by the finish of this unique product. As TopShape comes with finished edges, installation is quick and easy and reduces the need for on-site finishing.

Among the 11 carefully selected designs are the elegant Black Star Astro and the ultra chic Darwin Marble. Textures range from gloss and slate to universal and linen – each one offering you a unique kitchen experience. All designs and textures are available with matching edging, providing you with a seamless, luxurious finish.

Why not complete the look by also selecting a splashback or upstand to compliment your look, they are ideal for areas behind the sink and hob or to create a feature wall. Multi-level, multi-surface and multi-functional – ideas for using TopShape range are endless. It can be used as worksurfaces, shelving and flyover panels and is also ideal for plinths and for framing units.

You Design... We Make

Our TopShape Custom programme is a bespoke kitchen worktop service. If you are looking for something out of the ordinary, TopShape Custom is the answer. It allows you to have a worktop custom made to your own special size and design.

With TopShape Custom "You Design...We Make" You can create broad sweeping curves or corners with acute radii. It is an easy to follow process offering a bespoke solution: simply sketch the shape that you require with dimensions and we'll do the rest.

Why don't you try out our new kitchen styler and see the colours for yourself, www.topform.ie.

Bespoke orders have a two week lead time.

Splashbacks

Create continuity in your kitchen design with a splashback that matches the worksurface, creating a quality finish every time. Can also be used to create a distinctive feature wall.

Upstands & Universal Panels

Available in 3.6m length, upstands are 180mm single postformed, un-edged and laminated on one side. Universal panels are 3.6m x 250mm, laminated on both sides & finished with a contemporary square edged profile on all 4 sides.

Window sills

Edged and sealed all the way around, it's a favourite for window sills and offers a more stylish alternative to a furniture plinth.

End finishing

The ends are all pre-edged with polypropylene edging, providing a stylish look and finish. It can also be used as a breakfast bar back panel.

Utilise every space

Minimise wasted space – the double faced surface offers the flexibility to be used for shelves or open cupboard areas.

Rounded ends

Follow the contours of contemporary kitchen units with a curved worksurface.

LIFETIME WARRANTY:

Topform worktops have a lifetime warranty against manufacturing defects. The manufacturer undertakes to make good by repair and/or replacement (at its own discretion) any worktop shown to have failed by any reason of defects in design, materials or workmanship. This warranty is subject to fair wear and tear and providing that the installation, care and maintenance instructions have been followed and that the product has been properly used for its intended purpose. This undertaking is in addition to the consumers' statutory rights and does not affect those rights in any way. This warranty covers domestic installations only. No claims for replacement costs will be entertained if the worktop is not fully inspected before fitting.
