Description

This detached bungalow was originally constructed in the 1980's, set amidst pretty mature grounds of about 4.5 acres. Internally, there is the benefit of oil fired central heating and most rooms have views over the gardens.

The original planning permission for the bungalow stated "The occupation of the dwelling shall be limited to a person solely or mainly employed, or last employed, in the locality in agriculture, as defined in Section 290 of the Town and Country Planning Act 1971".

The name of French Street appears to derive from when the locality was under the ownership of John le Frenche, in the 13th century. Illustrious former residents of the area include the 16th century religious reformer, John Frith, Major General James Wolfe and, of course, Sir Winston Churchill who chose the nearby Chartwell as his long term family home. The sale of The Bungalow represents a rare opportunity to purchase a private retreat in this wonderful location.

Location

The property is situated in a secluded position on the outskirts of the highly sought-after area of Westerham, adjacent to acres of National Trust woodland, providing delightful walks. A long track leads across a farmland estate to the private entrance of The Bungalow. The historic village with its shops, restaurants and church is surprisingly only 1.5 miles away. The property is also conveniently located for the M25 (junctions 5 and 6), providing links to the national motorway network, London, Gatwick and Heathrow airports, the Channel Tunnel and the Kent coast. Sevenoaks station is 6.5 miles to the east providing mainline links to London Bridge, London Waterloo East, London Charing Cross and London Cannon Street. Sevenoaks High Street is a further 0.6 of a mile with a comprehensive range of shops, restaurants and commercial facilities. Oxted is 5 miles to the west with a mainline station to London Victoria, as well as cinema and leisure centre.

Directions

From the High Street in Westerham, proceed in an Easterly direction towards Sevenoaks. On leaving the village, turn right into Hosey Hill (B2026). Continue for about 1 mile and turn left into Hosey Common Lane. Follow the lane for about 0.75 of a mile and the entrance track will be found on the left hand side, behind high double gates. Follow the entrance track for just under a quarter of a mile, where there is a timber 5 bar gate. Just beyond the gate, turn right into the entrance of the bungalow.
