

WEDDED BLISS

THE MOST IMPORTANT DAY OF YOUR LIFE

A marquee is one of the few venues that offers complete freedom of choice and total control over the design, layout and timing of your special day.

George Mudford & Sons Ltd realise the importance of your wedding day and understand that every detail must be perfect. We also realise you only have one chance to get it right and we recognise our role in the success and smooth running of your day. We often cover weddings for several generations of the same family, because our customers trust Mudfords to make the moments that matter truly memorable.

We'll make sure the venue is exactly how you dreamt it would be, because nobody better understands that this day belongs to you.

- Excellent marquees and equipment
- Luxurious linings (new range of curtain swags and drapes now available)
- Excellent crews of specialist erectors (who know more than anyone the requirements and expectations of the bride to be)
- Excellent service guaranteed
