

INTEGRATED WORK-OVER CONTROL SYSTEMS (IWOCS) CAPABILITIES

Proserv has over 40 years of global experience, with a track record of delivering design, manufacture and rental of Integrated Work-Over Control Systems to clients globally. Using our diverse experience of subsea control equipment we can offer our client the most comprehensive unique solution package.

The following is small snapshot of our experience, should you like any further details on worksopes we have completed please get in touch:

Year	Client	Work Scope	Water Depth	No. of Wells	Location
2018	Apache	IWOCS offshore rental for the completion of 2 wells in the Skene North and Garten fields.	150m	1	North Sea
2018	EnQuest	On-going IWOCS Offshore Rental Kraken project including dedicated onshore & offshore support integrated into an Aker production control system	120 m	4	North Sea
2018	Chrysaor	Maria Tree recovery from a vessel at the Maria field (ongoing operations)	110m	1	North Sea
2018	Repsol	IWOCS offshore rental for the continuing Shaw installation and workovers OSS XT	123 m	1	North Sea
2018	TAQA	IWOCS Offshore Rental, MSS1 project including engineering, supply of equipment and personnel	114 m	1	North Sea
2018	Spirit	IWOCS offshore rental for the completion of 2 wells in the Annabel field.	100m	2	North Sea
2018	EnQuest	IWOCS offshore rental for the Knightsbridge project. FMC XT with Proserv Control System	152 m	3	North Sea
2017	Ithaca	IWOCS Onshore SIT for Harrier well. GE XT and SCM as well as associated equipment. Offshore equipment rental & personnel due to start June 17.	85 m	1	North Sea
2017	Apache	IWOCS offshore rental for the completion of 2 wells in the Skene North and Callater fields (In Progress)	120m	2	North Sea
2017	Chevron	IWOCS offshore rental for the recovery of Chevron Captain OneSubsea XT	150m	1	North Sea
2017	EnQuest	On-going IWOCS Offshore Rental Kraken project including equipment manufacture, dedicated onshore & offshore support integrated into an Aker production control system	120 m	4	North Sea
2016	EnQuest	IWOCS offshore rental for the Gadwall project. GE XT with Aker control system	85 m	1	North Sea

INTEGRATED WORK-OVER CONTROL SYSTEMS (IWOCES) CAPABILITIES (continued)

Year	Client	Work Scope	Water Depth	No. of Wells	Location
2016	EnQuest	IWOCES offshore rental for the Knightsbridge project. FMC XT with Proserv control system	152 m	3	North Sea
2016	Chevron	IWOCES offshore rental for the Captain workovers. OSS XT and control System	112 m	3	North Sea
2016	EnQuest	IWOCES Offshore Rental Kraken project including equipment manufacture, dedicated onshore & offshore support integrated into an Aker production control system	120 m	8	North Sea
2016	Chevron	IWOCES offshore rental (including SIT and client equipment modification) for the Alder project. OneSubsea XT and control system	150 m	1	North Sea
2016	EnQuest	IWOCES offshore rental for the Scolty and Crathes project FMC XT with Proserv control system.	105 m	2	North Sea
2016	GE	IWOCES offshore rental for the Nam Carrack K07-13 well. GE XT and control system	50 m	1	North Sea
2016	Repsol Sinopec	IWOCES offshore rental for the continuing Shaw installation and workovers OSS XT	123 m	1	North Sea
2016	Repsol Sinopec	IWOCES offshore rental for the Cayley SCSSV Diagnostic project. GE XT	90 m	1	North Sea
2016	Premier Oil	IWOCES offshore rental for the Solan P1 & P2 workovers. FMC	140 m	1	North Sea
2016	BP	IWOCES offshore rental for the Schiehallion AG01 abandonment project. OneSubsea XT with Aker control system.	450 m	1	North Sea
2016	EnQuest	IWOCES Offshore Rental Kraken project including equipment manufacture, HSP reeler SIT, dedicated onshore & offshore support integrated into an Aker production control system	120 m	9	North Sea
2015	EnQuest	IWOCES Offshore Rental, Kraken project including equipment manufacture, dedicated onshore & offshore support integrated into an Aker production control system	120 m	5	North Sea
2015	TAQA	IWOCES Offshore Rental, Pelican project	153 m	1	North Sea

TRACK RECORD

INGENIOUS SIMPLICITY

Year	Client	Work Scope	Water Depth	No. of Wells	Location
2015	EnQuest	IWOCS Offshore Rental Kraken project including equipment manufacture, dedicated onshore & offshore support integrated into an Aker production control system	120 m	2	North Sea
2015	Talisman	IWOCS Offshore Rental & Labour, Shaw installation project. OSS	123 m	1	North Sea
2015	TAQA	IWOCS Offshore Rental, Devenick project including engineering, supply of equipment and personnel	114 m	1	North Sea
2015	EnQuest	IWOCS Offshore Rental, Gadwall project. GE XT & AKER SCM	85 m	1	North Sea
2015	GE	IWOCS Offshore Rental, Addax project 2002 – 2015. GE XT	137 m	120	Nigeria
2014	EnQuest	IWOCS Offshore Rental & dedicated personnel, Knightsbridge project including engineering and equipment modification. FMC XT with Proserv SCM	152 m	6	North Sea
2014	Talisman	IWOCS Offshore Rental, Tweedsmuir project including engineering, equipment modification and SIT GE XT and control system	140 m	1	North Sea
2014	PT Atamora Teknik Makmur	IWOCS Offshore Rental and labour KRA infill project	120 m	2	Indonesia
2014	ConocoPhillips	IWOCS Offshore Rental, labour Belida Field P&A project. FMC	90m	2	Indonesia
2014	TAQA	IWOCS Offshore Rental, Cladhan Project including engineering, equipment modification and SIT	114 m	1	North Sea
2014	Premier Oil Vietnam Offshore B.V.	IWOCS Offshore Rental and labour Dua Tie Back Development Black 12W project. GE XT	115 m	5	Vietnam
2014	FMC Technologies	IWOCS Offshore Rental, labour Bayu Undan project. FMC	90 m	2	Australia
2014	Perenco	IWOCS Offshore Rental, Leman project. GE XT	49 m	1	North Sea

TRACK RECORD

INGENIOUS SIMPLICITY

Year	Client	Work Scope	Water Depth	No. of Wells	Location
2014	ADTI	IWOCS Offshore Rental, Stella project. GE XT	134 m	5	North Sea
2014	EnQuest	IWOCS Offshore rental & dedicated personnel for Mallard project. GE XT & associated equipment with AKER SCM.	85m	1	North Sea
2013	EnQuest	IWOCS Offshore rental & dedicated personnel for Knightsbridge project including engineering & equipment modification	152m	6	North Sea
2013	EnQuest	Run 5 off FMC XT from vessel – Skandi Arctic on Knightsbridge project	152m	5	North Sea
2013	Halliburton Energy Services (M) Sdn Bhd	IWOCS HPU Offshore Rental and labour, F29-LBSS Shell project	200 m	1	Malaysia
2012	EnQuest	IWOCS Offshore rental & labour. Don project	152m	3	North Sea
