EVERYWHERE**

Assessed to ISO 9001
LPCB Cert No. 1106

LOSS PREVENTION CERTIFICATION BOARD (LPCB)

Insafe and our factory are certified by the LPCB to ISO 9001.
LPCB works within the industry to set standards,
independently test and certify safes.

ASSOCIATION OF INSURANCE SURVEYORS (AiS)

AiS is a well known and respected body of individual risk control
and reduction experts working in the insurance market
throughout the UK.

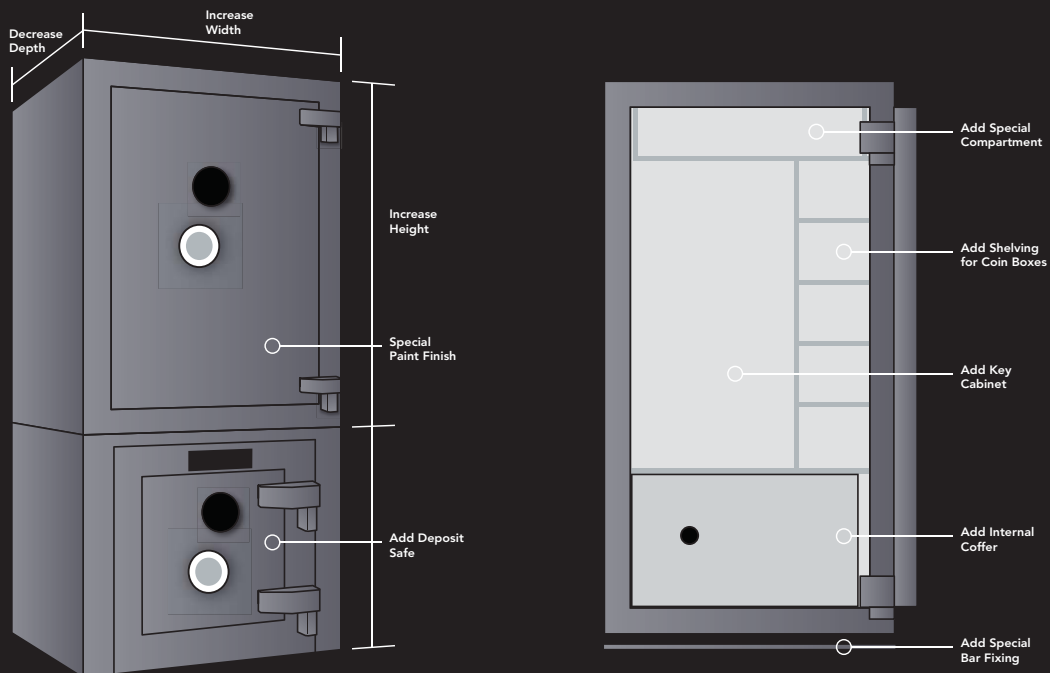

SAFES ■ LOCKS ■ ACCESS

Bespoke Safes.

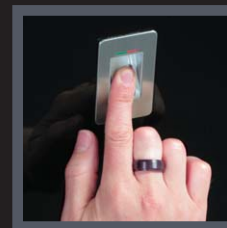

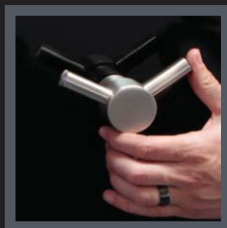

Insafe's own UK based design and manufacturing facility allows us to offer tailor-made specials of any type of safe to order.

We can build a safe to your exact requirements from dimension and colour, to locking and features... you can create a totally bespoke safe.

And then you can choose to add special features including:
Deposit slot • Letter slot • Drawer deposit • Lockable drawers
Internal storage compartments • Internal coffer
Internal power supplies • Watch winders

If you can imagine it, we can design and build it.
And what's more, a bespoke safe often costs less than you would think
and be delivered faster than you'd expect.

Drop Safes.

All of our safes can be fitted with deposit features, internal cupboards, air tubes, CIT features, time, delay, audit and internet remote control locks.

INSAFE ARE EXPERTS IN BESPOKE AND SPECIAL SAFES.

SAFES ■ LOCKS ■ ACCESS

Safe Locks.

From keylocks to digital combination, multi-user digital locks to time delay, audit, duress and internet remote control locks
Insafe are the leading UK experts in safe locks.

If what you require is not on the market, we will make it
and write the software.

EVERYTHING IS POSSIBLE.

Door Locks.

Insafe supply and install all types of door locks, cylinders and door furniture.
From traditional mortice locks to advanced 5-Life cylinders and
electronic intelligent cylinders.

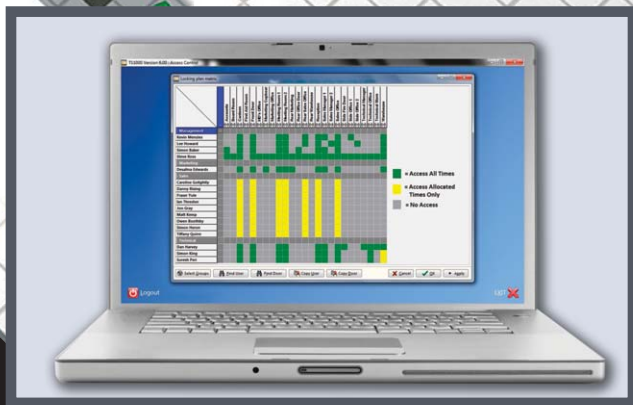

SAFES ■ LOCKS ■ ACCESS

Access Control.
