~ Jim Rohn

Zoshia Shepherd ~ is a senior yoga teacher here at The House of Yoga. She has facilitated numerous teacher trainings and is a certified Mindfulness Teacher and a Neuro Leadership Coach. She believes in the transformative power of yoga and its ability to be physically, mentally and spiritually life changing. By encouraging her students to find a sense of presence, awareness and space, she aims to bring them into connection with their bodies, breath and full potential. She is passionate about empowering others and leading them to live a purposeful and powerful life.

Emma Saunders~ began her life humbly at THoY by volunteering soon after the Putney studio doors opened, in 2012. She quickly became an integral part of the studio as Leader of Success running a strong team and bringing yoga and transformation to hundreds of people. Throughout her years at the studio she continued her studies of yoga, Yin yoga, hands on assisting and personal development as well as expanding the training programmes at the studio. After taking a short time away from the studio to focus on growing her own family she returns to the area that she is most passionate about; yoga training programmes. She coaches her students to find their fullest expression and step into their personal power.

Maryann Huynh ~ first came to yoga in early 2008, and for her, moving through asana was just another way to sweat every now and then. It wasn't until she encountered Baptiste Power Vinyasa that yoga became more than just a way to exercise. Consistent practice at The House of Yoga resulted in full-scale, positive lifestyle shifts for Maryann. Completing THOY's teacher training programme in 2016 with Jason Pooley resulted in big career changes; Maryann has been teaching and sharing her love for yoga ever since.

Maryann also became a certified NuPower Yoga Teacher in 2016, completed her 500-hours with Lumi Power Yoga under Ari and Elina Iso-Rautio in 2018 and also undertook her Advanced Yin and Anatomy Teacher Training in 2018 with Cal Wansbrough. Although each one of Maryann's classes is different, her teaching philosophy is the same – she aims to encourage her students to express their fullest potential on (and off!) the mat but also to have fun.

OUR KEY FACILITATORS ARE JOINED BY EXPERTS IN THEIR FIELD TO DELIVER:

ANATOMY

Alex Manos ~ a Specialist Musculoskeletal Physiotherapist, has spent the majority of his career in professional sport, working with elite athletes. Alex completed his 200hr Teacher Training programme at THoY and uses Yoga as part of his rehab for patients. Alex is currently completing his Diploma in Personal Performance Coaching; combining all three disciplines, Physiotherapy, Yoga and Coaching allows for a holistic approach to his care of people.

APPROVAL

The House of Yoga is approved by the Yoga Alliance to provide a 200hr registered yoga teacher certification for professional careers in teaching yoga.

EMPLOYMENT OPPORTUNITIES

Certification is a gateway into opportunity. You can teach yoga part-time, fulltime, around the world if you choose to. We can say this because we have trained over 400 yoga teachers and many are positively influencing and changing lives through their work in this world.

After this programme you have the choice and freedom to specialise in any area (ie. more fitness based yoga, philosophy, anatomy etc) and work with a particular demographic (ie. community based, yoga studios, underprivileged etc). Our students have gone on to build studios, create yoga programmes for prisons, teach across many London studios, travel the world teaching retreats and much more. This is the opportunity to create the life you love and love what you do.

The THoY teaching team is built in-house from graduates of our teacher training programmes. We endeavour to offer teaching opportunities within our community, however we cannot guarantee teaching positions following completion of the THoY 200hr Teacher Training Programme.

Continuing education and employment postings will be offered as an ongoing service.
