The June Hancock
Mesothelioma
Research Fund

Bringing together patients, families, doctors, nurses and researchers to develop a deeper understanding of research in mesothelioma and its role in improving treatment and care.

When? Friday 5 July 2019 from 10:00 until 16:00

Where? Crowne Plaza Hotel, Wellington Street, Leeds LS1 4DL

The hotel is just 10-minutes level walk from Leeds Railway Station and there are regular buses along Wellington Street.

The June Hancock Mesothelioma Research Fund holds an Action Mesothelioma Day in Leeds every year. This is our 14th event since the first AMD in 2006. Our annual "Meet the Researchers" is a special event that uses a different approach to other AMD events. It's an opportunity to look to the future and find out more about the important research we fund. There are no lectures instead you can sit down, in small groups, face to face with the researchers, to ask questions or just chat. The event is free to attend. Refreshments will be available throughout the day and lunch will be provided. Family and friends are welcome.

HOT TOPICS for DISCUSSION
