PLEASE READ BEFORE ORDERING

WHICH UNIFORM TO ORDER

Please check if you have uniform list 2014-2016, with chameleon in top right hand corner. The content of the catalogue is the same for all schools, the uniforms however are different.

The Ref Numbers, in the first column on your uniform list, refer to the items required for your school. Please go to the price list (p13, p14 & p15) to find the reference No. and the page where the items are illustrated. All items (on the uniform list) with a Ref. No. are available, even when not mentioned in the catalogue. Items indicated with an asterisk * are not available from the catalogue and can be bought anywhere.

WHICH SIZE TO ORDER

We cannot accept orders (for garments) without the exact height, chest & waist, measured over your child's underwear, even when you have ordered from us before.

Are you ordering for the first time? No need to look up sizes, we can do that for you, whilst allowing sufficient room for growth. We often have more sizes available than mentioned in the catalogue. You can help us by indicating the desired length i.e. for coats, skirts, tunics and dresses (knee length, below the knee, mid calf).

Manufacturers sometimes alter their sizes after the catalogue is printed, the 3 body measurements of your child(ren) enable us to check the sizes and make changes.

Our sizes correspond with the to fit chart and are not necessarily the same as the sizes inside the garments from the manufacturers (indicated between brackets on the invoice). We apologise for any confusion that this might cause.

HOW TO ORDER Please remember, no need to look up sizes!

WHEN TO ORDER

For schools with a compulsory uniform, ordering after the following dates, might result in not receiving the required items in time!

For back to school in September:

Please order before the 1st of August (blazers, tunics etc.).

For winter uniform & sportswear:

Please order before the 1st of November (coats, scarfs etc.).

For summer uniform & sportswear:

Please order before the 1st of April (summer dresses, summer shirts etc.).

A large number of items are manufactured just for one school only. Ordering too late does not give us the time to make more garments if stocks are insufficient.

SUMMER HOLIDAYS

Place your order as soon as possible, preferably before you go on holiday. Always mention the date of your departure and the date of your return to avoid unnecessary costs (£3.99) for re-sending parcels.

The telephone lines are very busy during the summer holidays, if possible post or fax your order form to keep the lines free for parents with questions and problems.

PAYMENT

We accept cheques, postal orders, credit cards, direct debit cards and PayPal. Parcels are dispatched on receipt of "full" payment. In case of **insufficient payment**, your invoice will be sent with the request to forward the balance due. Over payment is always refunded, therefore check your invoice on the outside of your parcel under "documents enclosed".

DELIVERY TIME & COST

Orders are dispatched the following day by recorded 1st class post. Delivery is approximately 4 days from day of receipt of your order. The cost is £2.99 per delivery address regardless of the number of items ordered.

Deliveries to France are directly to the schools during term time and are at a cost of £10.99 per order.

Name tapes are sent separately within 7 to 10 days from receipt.

If not home

If not home, please contact the courier or the post office (indicated on the "while you're out card") immediately. Failing this you will have to wait until the parcel is returned to A to Z Clothing (approximately 2 weeks) to be re-sent at cost of £3.99.

To follow *

Items indicated with an * asterisk on your invoice, generally follow within 3 weeks.

Guaranteed next day deliveries: (48 hours UK only)

Next day deliveries are only possible when time permits; we need sufficient time to embroider, if emblems are required.

- Monday to Friday: £7.99
- Saturday: £29.99

REFUND OR EXCHANGE

Refund or exchange is only possible when we receive your purchase "within 14 days" of receipt, in perfect condition and not worn.

Return your parcel too: A to Z Clothing, 7 Rectory Lane, Harrietsham, Maidstone, Kent ME17 1HP, enclose the invoice with your comments and we will replace, exchange or refund your money. This guarantee is in addition to your normal statutory rights.

Please note, refunds are made minus 15% handling charges and exclusive of pkg. & delivery costs.

When clients insist on receiving garments without having the recent body measurements of their children, any exchange or refund will incur extra postage charges.

NO REFUND OR EXCHANGE

No refund or exchange will be given on any item, which has been embroidered at the clients request, which is not part of the schools official uniform.

FAULTY GARMENTS

Only faulty garments that have **not** been worn will be refunded, replaced or repaired.

REPAIR SERVICE

Please note that we do **not** provide a repair service other than for faulty garments.

To Fit Guide 2014-2016

No need to look up sizes!

Simply indicate your child's **body measurements** (p19), **total height, chest and waist** (measured over underwear). We will add extra space for growth and send you the correct size. We often have more sizes in stock than mentioned in the catalogue.

Please don't forget the **shoe size** for socks, the **collar size** for shirts, **head circumference** for hats & caps & **inside leg** for trousers. Compulsory items can be "made to measure" if your child does not fit in standard sizes (see p19 bottom left).

Washing Instructions

Our garments are made of superior quality fabrics, that will stay in good condition if used for the right purpose and well cared for.

- All the clothing in the catalogue is machine washable, apart from wool garments that need dry cleaning and coated nylon that is best wiped clean.
- **Never use fabric conditioners for any school-wear, to prevent limpness and pilling (bobbling).**
- **Our classic fleece is brushed at the back and must be "machine" washed before wearing. It interlocks the fibres (the fluff), which improves the hard wearing qualities and prevents pilling (bobbling).**
