SCHOOL OF THE ARTS

## YOUNG PROFESSIONALS CONSERVATORY

Sacramento Theatre Company's mission is to be the leader in integrating professional theatre with theatre arts education. STC produces engaging professional theatre, provides exceptional theatre training, and uses theatre as a tool for educational engagement. Sacramento Theatre Company is home to the STC School of the Arts. The Young Professionals Conservatory (YPC) is a rigorous, 10-month program within the STC School of the Arts for students ages 12-18 interested in pursuing careers in professional theatre. Veteran actors, directors, designers, technicians, and producers provide hands-on training. Students gain momentum as they work towards enrollment in renowned colleges and, ultimately, careers in professional theatre.
