

TIME TO GET INVOLVED!

We are looking forward to an exciting, fun packed October half term and have lots of great activities for children aged 5-13 years old to get involved in.

This October we will be running a **SUPER CAMP** in Stoke-on-Trent which involves three different types of camps including Sports Stars, Stage Stars and Soccer Stars.

We are trusted by many schools across Staffordshire to deliver excellent experiences, so why not come along, build confidence, make friends and create memories this October half term with Active Lives Education.
