## HND Creative Media Production

### What will I learn?

If your ambition is to work in the ever expanding media industry then this is the course for you. The emphasis of this course is on moving image production. You will gain invaluable practical skills in a variety of disciplines from short films in fiction, production, and documentary. Learn lighting, camera work, editing as well as gaining industry knowledge to survive in this competitive industry.

You will be stretched academically and where opportunities arise to work with real clients. During the course you will work with a range of cutting-edge equipment, and have access to workshops, on-line digital editing suites, digital SLR cameras and a fully equipped television studio including chroma-key.

### What qualifications do I need to qualify for this course?

- You must be at least 18 years of age and have educational attainment equivalent to 120 UCAS points.
- Successful completion of a National Diploma, Subsidiary or Extended Diploma in Creative Arts, Media or other related subject.
- If you have been out of education for a few years but have the relevant vocational experience in media production, accreditation of prior experience will be considered
- Mature students are also considered

### What can I do after this course?

On the successful completion of this HND you can progress to a B.A Honours degree programme at a wide range of universities. Alternatively you will be fully prepared for employment in the Creative and Digital Industries.
