

<b>object name</b>	<b>Number of items</b>	<b>Identity number</b>	<b>Physical description</b>	<b>Size (l:b:h)</b>	<b>Condition</b>	<b>Notes</b>
Conical flask with rubber bong and hose	1 (3)	2005.11.1	Conical glass flask with rubber bong and thin glass extension connected to hose	100:195	Good	
Conical flask	1	2005.11.2	Conical glass flask with thinner stem and pouring section at top Measuring marks on the stem in ML	80:260	Good	92/B' scratched on stem above measurement marks
Small conical flask	1	2005.11.3	Small conical glass flask with thinner stem and wider top. Measuring marks on the stem in ML	40:115	Good	1/5 gill ST&CO' marked near base
Small conical flask	1	2005.11.4	Small conical glass flask with thinner stem and wider top. Measuring marks on the stem in ML, some fleck marks inside	36:117	Good	1/5 gill ST&CO' marked near base
Small conical flask	1	2005.11.5	Small conical glass flask with thinner stem and wider top. Measuring marks on the stem in ML	35:110	Good	1/5 gill ST&CO' near base
Conical flask with spherical section	1	2005.11.6	Conical glass flask with wider base and top section with a spherical section at the bottom Measuring marks on the stem in gill	242:60	Good	440 Astell' marked near base
Conical flask	2	2005.11.7.1	Small conical glass flask with thinner stem and wider top. Measuring marks on the stem in ML	39:110	Good	1/4 gill ST&CO' marked near base
Conical flask	2	2005.11.7.2	Small conical glass flask with thinner stem and wider top. Measuring marks on the stem in ML	40:55.0	Good	1/4 gill ST&CO' marked near base
Small conical flask	1	2005.11.8	Small conical glass flask with thinner stem and wider top. Measuring marks on the stem in ML		Good	1/5 gill ST&CO marked near base
Small conical flask	1	2005.11.9	Small conical glass flask with thinner stem and wider top. Measuring marks on the stem in ML	105:36:00	Good	1/6 gill ST&CO marked near base

Conical flask	2	2005.11.10.1	Small conical glass flask with thinner stem and wider top. Measuring marks on the stem in ML	110:40:00	Good	286 1/5 gill ST&CO marked near base
Conical flask	2	2005.11.10.2	Small conical glass flask with thinner stem and wider top. Measuring marks on the stem in ML	110:40:00	Good	127 1/5 gill ST&CO marked near base
Small glass stopper	1	2005.11.11	Small glass sphere with small stem and smaller glass sphere attached	35:17:00	Good	30 U.P. T.60 degrees F marked on larger sphere
Conical flask	1	2005.11.12	Conical flask with thinner stem and wider top. Measuring marks on the stem in ML	110:40:00	Good	274 1/5 gill ST&CO marked near base
Conical flask	1	2005.11.13	Conical flask with thinner stem and wider top. Measuring marks on the stem in ML	110:40:00	Good	111 1/5 ST&CO marked near base
Conical flask with spherical section	1	2005.11.14	Conical glass flask with wider base and top section with a spherical section at the bottom Measuring marks on the stem in FL.OZ	255:60	Good	171 marked near bottom
Small glass stopper	1	2005.11.15	Small glass sphere with small stem and smaller glass sphere attached Conical flask with thinner stem and wider top.	35:15:00	Good	35 U.P 60 degrees F marked on larger sphere
Conical flask	3	2005.11.16.1	Measuring marks on the stem in MBL	115:36:00	Good	
Cylinder-shaped flask	3	2005.11.16.2	Cylinder-shaped flask	50:24:00	Good	
Cylinder-shaped flask	3	2005.11.16.3	Cylinder-shaped flask	50:24:00	Good	
Small glass stopper	1	2005.11.17	Small glass sphere with small stem and smaller glass sphere attached	25:15:00	Good	30 U.P 60 degrees F marked on larger sphere
Small glass stopper	1	2005.11.18	Small glass sphere with smaller glass sphere on top	25:15:00	Good	35 U.P 60 degrees F marked on larger sphere

Conical flask	1	2005.11.19	Conical glass flask with thinner stem and wider top Measuring marks on the stem in ML	111:40:00	Good	287 1/4 gill ST&CO marked near base
Conical flask	1	2005.11.20.1	Conical glass flask with thinner stem and wider top ss flask with thinner stem and wider top section Measuring marks on the stem in ML	106:35:00	Good	1/6 gill ST&CO marked near base
Conical flask	1	2005.11.20.2	Conical glass flask with thinner stem and wider top section Measuring marks on the stem in MBL	116:36:00	Good	
Conical flask	1	200.11.21.1	Conical glass flask with thinner stem and wider top section Measuring marks on the stem in ML	108:35:00	Good	1/6 gill ST&CO marked near base
Conical flask	1	2005.11.21.2	Conical glass flask with thinner stem and wider top section Measuring marks on the stem in ML	108:35:00	Good	1/6 gill ST&CO marked near base
Conical flask	1	2005.11.22.1	Conical glass flask with thinner stem and wider top section Measuring marks on the stem in MBL	117:35:00	Good	
Conical flask	1	2005.11.22.2	Conical glass flask with thinner stem and wider top section Measuring marks on the stem in ML	107:35:00	Good	1/5 gill ST&CO marked near base
Conical flask	1	2005.11.23.1	Conical glass flask with thinner stem and wider top section Measuring marks on the stem in ML	110:35:00	Good	1/6 gill ST&CO marked near base
Conical flask	1	2005.11.23.2	Conical glass flask with thinner stem and wider top section Measuring marks on the stem in ML	110:36:00	Good	1/6 gill ST&CO marked near base
Large conical flask with pouring section	1	2005.11.24	Large glass conical flask with thinner stem and wider pouring section at the top Measuring marks on the stem in ML	265:80	Good	No 5331 1/2 pint marked near base Scientific Glassware Winward Made in England. Some red flecks in bottom.

Large conical flask with pouring section	1	2005.11.25	Large glass conical flask with thinner stem and wider pouring section at the top Measuring marks amount to a pint measure. Two 'out of service' stickers on flask: one at top of stem that has worn away, second is near the base with 14/6/94 as the out of service date, marked by DPT	275:107	Fair	1 Pint ST&CO marked near base Inside glass is dusty/dirty
Small conical flask	1	2005.11.26	Small conical glass flask with thinner stem and wider top. Measuring marks on the stem in ML	108:36:00	Good	1/6 gill ST&CO marked near base
Wooden box containing four glass pipettes	5	2005.11.27.1	Wooden box with metal clasp and key locks. Metal plaque on the front of the box with 'Borough of Kidderminster, Standard Glass Pipettes De Grave Short & Co Ltd London' inscribed. Black lining with metal hinges	120:45:410	Good	Out of Service' sticker, as well as a red dot sticker and plain white sticker with '18' written on attached to front of wooden case Measuring marks in FL.OZ, with 5456 marked near top Measuring marks in FL.DR, with 5456 marked near top
			0.2 Glass pipette	360		
			0.3 Glass pipette	275		
			0.4 Glass pipette	275		Measuring marks in minimis, with 5456 etched near top
			0.5 Glass pipette	220		Measuring marks in minimis, with 5456 etched near top
Wooden box with three glass pipettes	4	2005.11.28.1	Wooden box with metal hinges with metal plaque on the front with 'Apothecaries Measures Local Standards of City of Worcester 1885, De Grave & Co London' inscribed. The box has a green material lining.	115:45:380	Good - one pipette missing	

			0.2 Glass pipette	340		Measuring marks in FL.DR, with 1167 etched in to pipette
			0.3 Glass pipette	345		Measuring marks in min, 1167 etched in to pipette
			0.4 Glass pipette	365		Measuring marks in min, 1167 etched in to pipette
Large cork stopper	1	2005.11.29	Large cork stopper for 3 Gallon measure	78:79	Fair	
			Circular measuring tape in a red leather case with hand strap measuring to 100FT in Borough of Kidderminster			
			Stickers to one side including bar code, Out of Service sticker on 8/10/96 signed by NRW, as well as a yellow sticker with 'Local Standard written on it'		Good, some green residue from leather case	
Measuring tape	1	2005.11.30	Manufactured by John Rabone & Sons, Birmingham, England	150		
			Metal three gallon measuring vessel with metal band around the centre inscribed with 'County of Worcester, Three Gallons' & 'Chekpump'			
			Smaller metal plaque to the front with 'Serial No. 183' inscribed on it.			
			Two handles with a section at the top to pour liquids in, as well as a label attached that reads 'H&W CC ICP 8131 Valid until: 15/11/95'	395:250:220	Fair, some dents and rusting	
Three Gallon measure	1	2005.11.31				
Large cork stopper	1	2005.11.32	Large cork stopper for 2 Gallon measure	77:70	Fair	

Two Gallon measure	1	2005.11.33	Metal two gallon measuring vessel with metal band around the centre inscribed with 'County of Worcester, Two Gallons, Chekpump' Smaller metal plaque to the front with 'Serial No. 183' inscribed on it. Two handles with a section at the top to pour liquids in, as well as a label attached that reads 'H&W CC ICP 8131 Valid until: 15/11/95'	350:210:220	Fair, some dents and rust	
Case with 5kg Capacity dual purpose beamscale	1	2005.11.34	Hard black case with 5kg capacity dual purpose beamscale inside Case is made by 'Custom' and has stickers on outside surface including a red 'Property of Hereford and Worcester County Council' and yellow 'Surplus Equipment Test Before Using'	415:320:115	Good	
Glass bulb vessel with tap	1	2005.11.35	1 Quart glass bulb vessel with tap and rubber cork at the top. 'S Garcia 226 1 Quart Ex. 20 degrees C, CBS' written on bulb	95:526	Fair	Small white sticker with 2695 written on it.
Glass bulb vessel with tap	1	2005.11.36	1 pint glass bulb vessel with tap 'ST & Co, B338 1 Pint Ex 20C' written on bulb, as well as red 'out of service' sticker dated 14/6/94 and signed by DPT	75:510	Fair	Dusty inside 8166 scratched into tap
Glass bulb vessel with tap	1	2005.11.37	1 pint glass bulb vessel with tap 'ST & Co B333 1 Pint Ex 20C' written on bulb, as well as red 'out of service' sticker dated 8/10/96, signed by NRW	80:490	Good	Dusty inside 7321 scratched into tap
Conical flask	1	2005.11.38	Conical glass flask with small hole near the bottom and thinner stem coming from the top	198:85	Good	
Conical flask	1	2005.11.39	Conical glass flask with small hole near the bottom and thinner stem coming from the top	191:85	Good	

Conical flask	1	2005.11.40	Conical glass flask with small hole near the bottom and thinner stem coming from the top	198:95	Good	
Half Gallon measure	1	2005.11.41	Metal half gallon measuring vessel with metal band around the centre inscribed with 'County of Worcester, Half Gallon Chekpump' Two handles with a section at the top to pour liquids in to	210:140:175	Fair	Some dents, rust and marks
Wooden box with scales	1	2005.11.42	hinged cover, with a set of silver scales inside. 'Out of Service' sticker dated 18/11/93, Metal One Gallon measuring vessel with metal band around the centre inscribed with 'City of Worcester One Gallon Chekpump'	214:214:214	Good	Some scratches to wooden box
One Gallon measure	1	2005.11.43	Small metal plaque to the front with 'Serial No. 183' inscribed on it. Two handles with a section at the top to pour liquids in to	160:265:240	Bad	Lots of rust, scratches and some dents to the bottom
1lb weight	1	2005.11.44	Metal 1lb weight stamped with 'Borough of Kidderminster'	50:22:50	Good	
1lb weight	1	2005.11.45	Metal 1lb weight stamped with 'Borough of Kidderminster'	50:22:50	Good	
2lb weight	1	2005.11.46	Metal 2lb weight stamped with 'Borough of Kidderminster'	42:50:49	Good	
4lb weight	1	2005.11.47	Metal 4lb weight stamped with 'Borough of Kidderminster'	85:50:49	Good	
Tape measure	1	2005.11.48	Tape measure with metal case stamped with 'Worcestershire County Council' Made by John Rabone & Sons of Birmingham, England	64:65	Fair	Some rusting to the tape measure

Circular tape measure	1	2005.11.49	Circular tape measure in a brown case stamped with 'City of Worcester' Made by Chesterman in Sheffield, England	51:25:00	Good	One crack to a side of the case
Circular tape measure	1	2005.11.50	Circular tape measure in a brown mottled case stamped with 'County of the City of Worcester, De Grave Short & Co Ltd London' Made by Chesterman in Sheffield, England	51:26:00	Good	
2lb weight	1	2005.11.51	Metal 2lb weight with handle inscribed with 'Solid' and stamped with 'ER534'	115:58:00	Good	
4lb weight	1	2005.11.52	Metal 4lb weight with handle inscribed with 'solid' and stamped with 'ER 534'	145:74	Good	
7lb weight	1	2005.11.53	Metal 7lb weight with handle inscribed with 'solid' and stamped with 'ER534'	176:87	Good	
14lb weight	1	2005.11.54	Metal 14lb weight with handle, inscribed with '1'	<a href="#">220:115</a>	Good	
14lb circular weight	1	2005.11.55	Metal circular 14lb weight with handle, stamped with 'City of Worcester 2418' Stamped with GB and ER crowns and 1903, 1911, 1916 and 1921 stamps	110:150	Good	
Tape measure	1	2005.11.56	Circular tape measure in red leather case, with calibrated sticker dated 23/3/95, due 23/3/96 and signed by B Ham Red sticker across the front with 'Property of Hereford and Worcester County Council' Made by Rabone Chesterman Ltd	80	Good
