
SHOWMASTER LTD

SHOWMASTER NEWS FEBRUARY 2012

We are delighted to update you on the range of doors now available from Showmaster for use on both serve over counters and multidecks.

DUAL GLAZED OR SINGLE GLAZED SLIDING FOR COUNTERS

HINGED DOORS FOR COUNTERS OR UPRIGHTS (Chillers or energy saving freezer with no heaters)

NEW FOR 2012 FOR LARGER OPEN SPACES SUCH AS MULTIDECKS!

New sliding and hinged doors are now available for large multideck cases or large open fronted spaces:

Cisa 15 – A sliding/hinged door that combines the sliding motion for ease of access with a hinged facility for ease of loading

Cisa 16 – A new sliding only version for the large cases with very minimal door profiles for maximising visibility of the product

Also available for stores where air conditioning is installed are the single glazed sliding and hinged options from our new supplier Thermis.

All the above have the very latest in energy saving features and are specified with some of the largest end users in the business.

For more information call Steve Benson on 07811 966909 or e-mail by return
