Pinnacle Cleaning

We have used Pinnacle Cleaning since 2009 and are satisfied with the service that they provide. In that period there has been a number of staff changes but Pinnacle have provided a helpful and efficient team and any problems have been addressed.

Smiths Pensions Ltd

Pinnacle Cleaning Services have had the cleaning contract at our Academy since January 2013.

The standard of cleaning is extremely high and is regularly monitored by the Manger responsible for the contract. Since beginning the contract, our requirements have changed many times and Pinnacle have been extremely accommodating in bringing in additional staff and taking on extra areas. If there has been an issue, this has been addressed immediately. The staff are reliable, punctual and perform their duties in a professional manner.

All necessary CRB and Right to Work checks have been carried out prior to Pinnacle staff working in our Academy.

We would have no hesitation in recommending their services.
