

ICOH 2018 Student Poster Competition

Poster numbers and assigned days to present to competition judges

Upon arrival at the conference, please hang your poster in the student poster area according to your assigned poster number (SP-1, SP-2, etc.).

Judges have been assigned to assess your poster either during the morning break or during lunch on your assigned day (Tuesday, Wednesday, or Thursday). On your assigned day, you will be expected to check in at the booth near the student posters during the morning break and during lunch. Two judges will be sent to meet you at your poster at some point during those breaks on your assigned day.
