

Co-funded by the  
Europe for Citizens Programme  
of the European Union

The first webinar of the project „Optimizing Volunteer Services in Times of Refugee Crisis“ was conducted on September 27 2016. at 2PM (CET).

There were 20 participants from Croatia, Serbia, FYRM, Belgium, Hungary, France, Netherlands and UK.

Nives Ivelja, director of Association „MI“ – Split, presented the project activities, aims and results achieved so far.

The representatives of CVCN, Legis, Voluntary Action Sheffield and OKA presented the volontheka implementation in Croatia, FYRM, UK and Hungary, and experiences with the refugees and volunteers on the field.

This webinar was an opportunity to share experiences and good practices in working with refugees and also for networking among similar organizations and project partners.

Second webinar is planned to be conducted in December 2016.
