No matter the event, we have a photo booth solution to suit your events needs. Event images can be fully branded and automatically shared to Facebook and Twitter accounts to boost social account activity & raise awareness of your event. Brand your photo backgrounds using green screen replacement and have your company logo on every print users print and share online.

Our booths can even be used to collect customer feedback via touch screen surveys & are capable to record video feedback. Contact us to find out in more detail about how a photo booth can increase awareness of your event and brand.
