GRANTS TO BE PAID BY THE SECRETARY OF STATE

General

- 34) The Secretary of State shall pay grants towards capital and Recurrent Expenditure for the Academy. Except with the Secretary of State's prior agreement, the Academy Trust shall not budget for its expenditure in any Academy Financial Year in excess of expected income. The Academy Trust shall not enter into commitments which are likely to have substantial implications for future levels of grant, or for the period for which grant may be required. No decision by the Academy Trust shall commit the Secretary of State to paying any particular amount of grant.
- 35) "Recurrent Expenditure" means any expenditure on the establishment, conduct, administration and maintenance of the Academy which does not fall within the categories of capital expenditure set out at clause 36. The Secretary of State shall pay two separate and distinct grants in respect of Recurrent Expenditure: General Annual Grant ("GAG") and Earmarked Annual Grant ("EAG").

Capital Grant

- 36) "Capital Expenditure" means expenditure on:
- a) the acquisition of land and buildings;
 - b) the erection, enlargement, improvement or demolition of any building including fixed plant, installation, wall, fence or other structure, or any playground or hard standing;
 - c) the installation of electrical, mechanical or other services;
 - d) the purchase of vehicles and other self-propelled mechanical equipment;

- g) the provision and equipping of premises, including playing fields and other facilities for social activities and physical recreation;
- h) works of a permanent character other than the purchase or replacement of minor day-to day items;
- i) any major repairs or replacements which are specified as constituting capital expenditure in any grant letter relating to them;
- j) such other items (whether of a like or dissimilar nature to any of the foregoing) of a substantial or enduring nature as the Secretary of State may agree shall constitute capital expenditure for the purposes of this Agreement;
- k) all professional fees properly and reasonably incurred in connection with the provision of any of the above;
- l) VAT and other taxes payable on any of the above.

"Capital Grant" means grant paid to the Academy Trust in respect of Capital Expenditure.

- 37) Where the Academy is to open in new premises, or where existing premises are to be substantially refurbished or remodelled to enable the Academy to open in such premises, the Secretary of State may, in his absolute discretion, be responsible for meeting the incurred Capital Expenditure for that Academy. To that end, the Secretary of State will consider providing funding in accordance with any arrangements as he considers appropriate.
- 38) Any Capital Expenditure incurred in respect of the Academy on which Capital Grant payments are sought from the Secretary of State will require the specific prior written agreement of the Secretary of State, which agreement shall not be unreasonably withheld or delayed.
- 39) Any payment of Capital Grant to the Academy Trust under this Agreement is subject to the fulfilment of the following conditions:
- a) such grants being used solely to defray expenditure approved by the Secretary of State; and
 - b) the Academy Trust certifying and providing evidence that all planning and other consents necessary for the development and all related infrastructure to be completed have been obtained or put in place.

Arrangements for Payment of Capital Grant

40) Capital Grant will be paid by the Secretary of State to the Academy Trust on the basis of claims for grant submitted to the Secretary of State in the notified format with supporting invoices and certificates as required by the Secretary of State. Capital Grant will be paid within 21 days from the day on which a claim for grant is received if the claim is in the proper format, supported by the appropriate documentation and the conditions on its payment set out at clause 39 are complied with. If a dispute arises as to whether a claim is or is not acceptable both parties undertake to attempt to resolve it in good faith. In the event of such a dispute, the Secretary of State shall pay to the Academy Trust so much of the claim as shall not be in dispute.

Implementation Grant ²

41) "Implementation Grant" means payments towards Recurrent Expenditure incurred for the establishment of the Academy prior to its opening.

42) The Secretary of State may enter into an agreement with a third party ("Project Management Company") for the provision of project management services to assist in the establishment of the Academy. Where such an agreement has been entered into, the Secretary of State shall pay Implementation Grant to the Project Management Company in accordance with that agreement.

43) If the Secretary of State has indicated that Implementation Grant will be payable, the Academy Trust shall prepare and submit to the Secretary of State a budget showing expected Recurrent Expenditure to be incurred by the Academy Trust before the Academy opens and for which grant is sought. This budget must either be agreed to or modified by the Secretary of State as he considers appropriate ("Approved Implementation Budget").

44) Both parties recognise that as the project develops it may be necessary to revise individual costs in the Approved Implementation Budget and to move costs between budget headings in order to ensure that the project remains within its approved budget. Where the Academy Trust wishes to make such an adjustment of over £10,000, the reason for the change and a revised budget must be submitted to the Secretary of State for approval.

² Note that the Secretary of State will not pay Implementation Grant pursuant to these clauses in relation to schools applying to convert further to the Academies Act 2010.

- 45) The Secretary of State will pay Implementation Grant to the Academy Trust on the basis of claims for grant submitted to the Secretary of State in accordance with the Approved Implementation Budget and in the notified format with supporting invoices, receipts and documents as required by the Secretary of State. If the grant claim is acceptable, the Secretary of State undertakes to pay the amount due within 21 days from the day on which it was received. If a dispute arises over whether a grant claim or part of it is acceptable, both parties undertake to attempt to resolve the dispute in good faith.
- 46) Any amount in the Approved Implementation Budget in respect of which the expenditure has not been incurred by the Academy Trust by the date on which the Academy opens will lapse and no Implementation Grant will be payable in respect of that part of the Approved Implementation Budget. Any amount of Implementation Grant which has been paid but remains unexpended on relevant expenditure by the date on which the Academy opens will, without prejudice to any other mode of recovery, be taken into account in determining the total amount of grant to be paid to the Academy Trust after the Academy has opened. Any amount of Implementation Grant which is found to have been used on ineligible expenditure will, without prejudice to any other mode of recovery, be taken into account in determining the total amount of grant to be paid to the Academy Trust.

General Annual Grant

- 47) GAG will be paid by the Secretary of State to the Academy Trust in order to cover the normal running costs of the Academy. These will include, but are not limited to:
- a) teachers' salaries and related costs (including pension contributions, full and part time teaching staff and seconded teachers);

- l) administration;
- m) establishment expenses and other institutional costs.

48) Subject to clauses to 56-57, GAG for each Academy Financial Year for the Academy will be the total of the following areas of funding;

- a) Formula Funding: Funding equivalent to the level of funding which would be provided through the funding formula of the LA to a maintained school which had all of that Academy's relevant characteristics, including its number of pupils;
- b) Local Authority Central Spend Equivalent: Funding representing a proportion of the LA Education Budget money which the LA would be able to retain, from the non-delegated elements of the Schools Budget and the relevant items in the LA Budget, if the Academy were a maintained school. The proportion which this funding will represent will be based on the elements of the LA's Section 251 Budget Return which are relevant to that Academy;
- c) Specialist Schools Allowance: Funding equivalent to that which a maintained school with the Academy's characteristics would receive in respect of their participation in the specialist schools programme. In the year of conversion, this may continue to be paid by the Local Authority.

49) The GAG for each Academy Financial Year for the Academy will also include, payable on a basis equivalent to that applied to maintained schools:

- a) funding for matters for which it is necessary for the Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and

- b) payments in respect of further, specific grants made available to maintained schools, where the Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants.

50) Subject to clause 51, the basis of the pupil number count for the purposes of determining GAG for an Academy Financial Year for the Academy will be, in the first year of conversion, the same basis as that used by the Local Authority for determining the budget share of the predecessor maintained school as adjusted by numbers counted in any subsequent Schools Census, as determined by the Secretary of State. In subsequent years the basis of the pupil count will be as determined by the Secretary of State.

51) Once the conditions specified in clause 52 have been satisfied with respect to the Academy for the Academy Financial Year for which funding is being calculated, the basis of the pupil number count for the purpose of determining GAG for the Academy will be:

- a) for the pupil number count for pupils in Year 11 and below, the Schools Census for the January preceding the Academy Financial Year in question; and for the pupil number count for pupils in Year 12 and above, the formula which for the time being is in use for maintained schools for the calculation of pupil numbers for pupils in Year 12 and above for the purpose of calculating their level of funding.

52) For the purpose of clause 51, the conditions are:

- a) all planned Year-groups will be present at the Academy (that is, all the pupil cohorts relevant to the age-range of the Academy will have some pupils present); and
- b) the total number of pupils as measured in the Schools Census for the preceding January is 90% or more of the planned final size of the Academy, which is 1305.
- c) The Secretary of State has determined that the basis shall be as provided for in Clause 51.

53) For any Academy Financial Year in which GAG for the Academy has been calculated in accordance with clause 50, no adjustment shall be made to the following Academy Financial Year's formula funding element of GAG to recognise variation from the pupil count basis used.

54) For any Academy Financial Year in which GAG for the Academy is calculated in accordance with clause 51, no adjustment will be made to the formula funding element in the following Academy Financial Year's formula funding element of GAG unless the

Academy Trust demonstrates to the satisfaction of the Secretary of State that there has been a significant impact on costs, such as an extra class. For any other element of GAG the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to calculate the element of grant in question; the basis of these will be set out in the annual letter of funding.

55) The Secretary of State recognises that:

- a) Where the Academy opens with an intake representing only a proportion of the final planned size of the Academy, payments based simply upon the number of pupils present are unlikely to be sufficient to meet the Academy's needs in the Academy Financial Years before all age groups are present at their planned size (the "Start-up Period") because of a lack of economies of scale. The Secretary of State may pay an appropriately larger GAG in the Start-up Period than would be justified solely on the basis of the methods set out in clauses 48-54, in order to enable the Academy to operate effectively;
- b) Where the Academy opens with pupils transferred from one or more maintained schools which have closed, additional GAG resources may be required to take account of transitional costs including any costs associated with supporting the integration of pupils from the closed schools and, where necessary, to offer a dual curriculum. If the Secretary of State has indicated that such additional GAG will be payable, the Academy Trust will make a bid for this addition to GAG based upon need and providing appropriate supporting evidence.

56) During the Start-up Period or during the period when year groups are present who have transferred from a predecessor school or schools, the Secretary of State will pay a further element of GAG additional to that calculated in accordance with the methods set out in clauses 48-54 to allow the Academy to:

- a) purchase a basic stock of teaching and learning materials (including library books, text books, software, stationery, science equipment and equipment for physical education) and other consumable materials;
- b) meet the costs associated with the recruitment and induction of additional teaching and other staff.

After the Start-up Period these costs will be met through the ordinary GAG.

57) The Secretary of State recognises that if he serves notice of intention to terminate this Agreement, the intake of new pupils during the notice period is likely to decline and that

in such circumstances payments based simply upon the number of pupils attending the Academy are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State undertakes to pay a reasonable and appropriately larger GAG with respect to the Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 48-54, in order to enable the Academy to operate effectively.

58) The Secretary of State also recognises that if this Agreement is terminated for any reason by either party the number of pupils at the Academy is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.

59) GAG paid by the Secretary of State shall only be spent by the Academy Trust towards the normal running costs of the Academy.

Earmarked Annual Grant

60) Earmarked Annual Grant ("EAG") shall be paid by the Secretary of State to the Academy Trust in respect of either recurrent or Capital Expenditure for such specific purposes as may from time to time be agreed between the Secretary of State and the Academy Trust and as described in the relevant funding letter. The Academy Trust shall only spend EAG in accordance with the scope, terms and conditions of the grant set out in the relevant funding letter.

61) Where the Academy Trust is seeking a specific EAG in relation to any Academy Financial Year, it shall submit a letter outlining its proposals and the reasons for its request to Academies Division, Department for Education, Sanctuary Buildings, Great Smith Street, London SW1P 3BT.

Arrangements for Payment of GAG and EAG

62) The Secretary of State shall notify the Academy Trust at a date preceding the start of each Academy Financial Year of the GAG and EAG figures in respect of the Academy which, subject to Parliamentary approval, the Secretary of State plans for that Academy Financial Year and of the assumptions and figures on which these are based.

63) If GAG or EAG is calculated incorrectly due to a mistake of the Secretary of State then:

a) if this leads to an underpayment of GAG, the Secretary of State will correct the

underpayment in subsequent Academy Financial Years;

- b) if this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Academy Trust.

64) If GAG or EAG is calculated incorrectly because the Academy Trust provides incorrect information to the Secretary of State then;

- a) if this leads to an underpayment of GAG, the Secretary of State may correct the underpayment in subsequent Academy Financial Years;
- b) If this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Academy Trust.

65) The amounts of GAG for an Academy Financial Year will be determined annually by the Secretary of State. The amount of GAG for the Academy for the initial Academy Financial Year will be notified to the Academy Trust in a funding letter at a date preceding that year. For subsequent years the amount of GAG will be notified to the Academy Trust in a funding letter not later than 1 April preceding that Academy Financial Year (the "Annual Letter of Funding"). The Annual Letter of Funding will not include the amount that the Academy Trust will receive in respect of grants for which information to enable timely calculation is not available or is incomplete, such grants will be notified as soon as practicable later in the year. Amounts of EAG will be notified to the Academy Trust wherever possible in the Annual Letter of Funding or as soon as practicable thereafter.

66) For the purposes of this Agreement, an Academy Financial Year shall be deemed to run from September to August, in order to align it to the school academic year. The Secretary of State undertakes to pay GAG in monthly instalments on or before the twenty fifth day of each month, each such instalment to fund the salaries and other payroll costs for the relevant month of all monthly paid employees and all other costs payable during the next following month. The detailed arrangements for payment will be set out in the Annual Letter of Funding.

Other relevant funding

67) The Secretary of State shall meet a proportion of the Academy Trust's costs arising from the inclusion of Academies in the Schedules to the Redundancy Payments (Continuity of Employment in Local Government) (Modification) Order 1999. The Secretary of State shall meet the costs of the employees' prior eligible service, being service prior to the opening of the Academy, and the Academy Trust will meet the costs of service after the opening of the Academy. The Academy Trust shall seek the Secretary of State's consent for these redundancies, such consent not to be unreasonably withheld, before committing to the redundancies.

68) The Secretary of State may meet costs incurred by the Academy Trust in connection with the transfer of employees from any predecessor school under the Transfer of Undertakings (Protection of Employment) Regulations 2006. Payment of grant in respect of such costs is to be agreed between the parties on a case by case basis and the Academy Trust shall not budget on the basis that it will receive any grant in respect of such costs unless it is specifically notified that such grant will be paid.

69) The Academy Trust may also receive funding from an LA in respect of the provision detailed in statements of SEN for pupils attending an Academy in accordance with the provisions of Section 483A of the Education Act 1996 and regulations made under that section. The Academy Trust shall ensure that all provision detailed in statements of SEN is provided for such pupils.

70) The Academy Trust may also receive grant funding for the Academy from the LA's Standards Fund. The extent of any grant funding received by the Academy Trust from the Local Authority may be equivalent to that which a Local Authority would pay to a maintained school using grant monies paid to it by the Secretary of State. Grants paid to the Academy Trust from the Standards Fund are not paid under this Agreement.

Financial and Accounting Requirements

71) The Academy Trust shall appoint an Accounting Officer and shall notify the Secretary of State of that appointment.

72) In relation to the use of grant paid to the Academy Trust by the Secretary of State, the Academy Trust shall abide by the requirements of and have regard to the guidance in the Academies Financial Handbook published by the DfE and amended from time to time, which sets out in detail provisions for the financial management of the Academy

including guidance on financial systems and controls and accounting and reporting requirements, in so far as these are not inconsistent with any accounting and reporting requirements and guidance that it may be subject to by virtue of its being a charity.

73) The formal budget plan must be approved each Academy Financial Year by the Governing Body.

74) Any payment of grant by the Secretary of State in respect of the Academy is subject to his being satisfied as to the fulfilment by the Academy Trust of the following conditions:

- a) in its conduct and operation it shall apply financial and other controls which conform to the requirements both of propriety and of good financial management;
- b) arrangements have been made to maintain proper accounting records and that statements of income and expenditure and balance sheets may be produced in such form and frequency as the Secretary of State may from time to time reasonably direct;
- c) in addition to the obligation to fulfil the statutory requirements referred to in sub-clause f) below, the Academy Trust shall prepare its financial statements, Directors' report, Annual Accounts and its Annual Return in accordance with the Statement of Recommended Practice as if the Academy Trust was a non-exempt Charity and/or in such form or manner as the Secretary of State may reasonably direct and shall file these with the Secretary of State and the Principal Regulator by 31 December each Academy Financial Year;
- d) A statement of the accounting policies used should be sent to the Secretary of State with the financial statements and should carry an audit report stating that, in the opinion of the auditors, the statements show a true and fair view of the Academy Trust's affairs and that the grants were used for the purposes intended;
- e) the Academy Trust shall ensure that its accounts are audited annually by independent auditors appointed under arrangements approved by the Secretary of State;
- f) the Academy Trust prepares and files with the Companies Registry such annual accounts as are required by the Companies Act 2006;
- g) the Academy Trust shall publish on its website its Annual Accounts, Annual Report, Memorandum and Articles of Association, Funding Agreement and a list of the names of the Governors of the Academy Trust;
- h) the Academy Trust insures or procures insurance by another person of its assets in accordance with normal commercial practice or under the terms of any subsisting

leases in respect of the leasehold interest of the site upon which the Academy is situated.

- 75) In addition, and at his expense, the Secretary of State may instruct auditors to report to him on the adequacy and effectiveness of the accounting systems and internal controls maintained by the Academy Trust to standards determined by the Secretary of State and to make recommendations for improving the financial management of the Academy Trust.
- 76) The books of accounts and all relevant records, files and reports of the Academy Trust including those relating to financial controls, shall be open at all reasonable times to officials of the DfE and the National Audit Office and to contractors retained by the DfE or the National Audit Office for inspection or the carrying out of value for money studies; and the Academy Trust shall secure that those officials and contractors are given reasonable assistance with their enquiries. For the purposes of this clause 'relevant' means in any way relevant to the provision and use of grants provided by the Secretary of State under this Agreement.
- 77) The Academy Trust shall submit indicative budgets relating to the Academy to the Secretary of State by not later than 15 February before the start of each Academy Financial Year. Such budgets shall set out clearly the prospective income and expenditure of the Academy and shall differentiate, and give adequate details of:
- a) a statement of expected income for that Academy Financial Year including cash donations and gifts in kind from sources other than GAG, EAG and grants from the Secretary of State towards capital and revenue expenditure, distinguishing between income from public funds including the national lottery and income from other sources. Income from cash donations and gifts in kind from sources other than GAG, EAG and grants from the Secretary of State towards capital expenditure will not be taken into account by the Secretary of State in the calculation of GAG;
 - b) a statement of proposed recurrent expenditure for that Academy Financial Year;
 - c) a statement of proposed capital expenditure for that Academy Financial Year.
- 78) At the beginning of any Academy Financial Year the Academy Trust may hold unspent GAG from previous Academy Financial Years amounting to 12% of the total GAG payable for the Academy in the Academy Financial Year just ended or such higher amount as may from time to time be agreed. This carried forward amount may be used as follows:

- a) equivalent to 2% of the total GAG payable in the Academy Financial Year just ended may be used by the Academy Trust for any of the purposes for which GAG is paid;
- b) equivalent to 12% of the total GAG payable in the Academy Financial Year just ended, or such higher figure as may from time to time be agreed, minus any amount used under sub-clause (a) above, may be used on the upkeep and improvement of premises, including the costs of equipment and routine repairs and maintenance of the Academy, and on capital expenditure relating to the Academy.

79) Notwithstanding clause 78, any additional grant provided over and above that set out in clauses 48-54, and made in accordance with clauses 55-57 may be carried forward without limitation or deduction until the Start-up Period or the circumstances set out in clause 57 come to an end.

80) Any savings of GAG not allowed to be carried forward under clauses 78-79 will be taken into account in the payment of subsequent grant.

81) The Academy Trust may also accumulate funds from private sources or public sources other than grants from the Secretary of State for application to the benefit of the Academy as it sees fit. Any surplus arising from private sources or public sources other than grants from the Secretary of State shall be separately identified in the Academy Trust's balance sheet.

82) The Academy Trust shall not, in relation to assets or property funded (whether in whole or in part) by the Secretary of State, without the prior written consent of the Secretary of State which shall not be unreasonably withheld or delayed:

- a) except such as are given in normal contractual relations, give any guarantees, indemnities or letters of comfort;
- b) write off any debts or liabilities owed to it above a value to be set out in the annual letter of funding, nor offer to make any ex gratia payments;
- c) make any sale or purchase of freehold property; or
- d) grant or take up any leasehold or tenancy agreement for a term exceeding three years.

82A) Grants paid by the Secretary of State shall only be used by the Academy Trust for purposes listed in Article 4(a) of the Articles. Such funds shall not be used by the Academy Trust for purposes listed in Article 4(b) of the Articles without the prior written consent of the Secretary of State except where the use of such funds for a charitable purpose set out in Article 4(b) is merely incidental to their use for the purposes set out in
