SOLUTIONS

# TAKE CONTROL

TRANSFORM PIPELINE PRESSURE  
TESTING WITH TECHNOLOGY AND DATA

---

# TAKE CONTROL

Enough to supply  
**22 MILLION  
PEOPLE**  
with their daily water usage

**3.2 BILLION**  
litres lost every day

**NEW PIPELINE  
ADDS TO THE  
CHALLENGE**  
as inaccurate testing allows  
faulty assets into the network

**8/18**  
**WATER FIRMS**  
missing leakage targets

# TAKE CONTROL

In pressure tests carried out by Ant Hire Solutions

**ONLY 68% PASSED FIRST TIME**

13% of failures as a result of

**LEAKAGE**

**25% OF ALL INTERVENTIONS FOR SAFETY REASONS**

**197KM OF NEW PIPELINE**

pushed to compliance through our active intervention

\*over an 18 month period
