

The Great Totham PTFA (Parent, Teachers and Friends Association) is a charitable organisation working alongside the school to arrange fundraising and social events. We aim to build a greater sense of community and raise money for our school.

In the past few years, our fundraising has enabled the school to update and extend computing equipment, help resource a new outdoor learning area for our youngest children and fund the annual school pantomime.

Our most recent fundraising has focused on the development of adventurous play equipment. We were very happy to support this request which came directly from the children. This ambitious project is due to be completed this spring.

Every penny counts in our shared goal of improving the learning experience of our children.

Your support is greatly appreciated and we look forward to seeing you at this fantastic night of comedy!
