

## How to login to your existing SimpleFX account on MetaTrader4 and MetaTrader4 for Mobile platforms.

- After registration on SimpleFX website (<u>https://simplefx.com</u>) or Web Platform (<u>https://app.simplefx.com</u>):
  - your MetaTrader4 password will be the same as on the website/web platform go to step 3.
  - if the password does not work, please set a new one in the Web Platform (<u>https://app.simplefx.com</u>) - go to step 2.

Click on menu toggle in top right corner of Web Platform screen and choose "Accounts & Deposits". Find the account for which you want to change a password, choose "LIVE" or "DEMO" and then account number. After that, click triple dots menu button and "Change MetaTrade4 Password". Please follow the steps from a screenshot:
