S and A Engineering Services Ltd.

The UK's trusted blower repair company and official UK and Ireland aftersales office for **Pedro Gil SL**

www.blowerengineers.com

Whether your air blower needs a full workshop overhaul, a service or inspection on site, or you simply need advice or technical information: **we can help.**

We have over 30 years' experience working on the sale, service and repair of ROOTS-type positive displacement air blowers used in pneumatic conveying in both positive and negative pressure systems as well as fluidisation, aeration and on water treatment applications.

We are also registered with UVDB Achilles, Safe Contractor approved and ISO 9001:2015 registered. So you can rest assured that you are in safe hands with **S and A Engineering Services Ltd.**
