

Happy Kids Newsletter

July 2019

End of Term

On Wednesday 24th July children who are leaving for school are invited in with a parent/carer from 10:30am to have some juice and a biscuit. This is an opportunity for us all to say goodbye and wish them well for their next adventure. If this is your child's normal session, then you do not have to attend with them but are welcome to join us too if you wish.

Happy Kids will then close at 12:00pm!

We would like to take this opportunity to wish children who are leaving, good luck in their new schools and thank you for your continued support over this past academic year.

Talking Tip:

Give your child at least ten seconds to respond to what you have said: 'Thinking time' is very important and will help your child to join in with conversation.

More information and support can be found at <http://www.westberksecat.info>

Hours for September:

Please can you let your child's keyworker know if your child will still be attending in September and if so, the days and hours you will require.

As the sun has begun to make an appearance, we would be grateful if you could start providing sun cream and hats for your child, along with wellies, coats and spare clothes for all weather eventualities.

Thank you.

Reminder:

Please can you ensure your child is provided with nappies and wet wipes for each session they are in, if they still use them. Unfortunately, as an independent preschool, we are unable to provide them.

Relocation:

Unfortunately, the relocation of Happy Kids is currently on hold whilst we still wait for the section 77 approval!

However, with the planning application being approved and all other plans in place we hope to be moving during next term.

We will keep you informed!

Tapestry

This term we have been busy supporting children with their transitions into 'big school' and have had the pleasure of meeting some of their new teachers for September. Some schools have requested transition reports, which have been completed and will be emailed to them. All transition reports will be made available online by Monday 15th July. Over the next week all profiles of children who are leaving will be emailed to you as a PDF file. This will allow you to keep it and share it with friends and family.

We love looking at all the wonderful things your child does in the home environment on tapestry and look forward to seeing what they do in the summer holidays.

Term Dates

This term ends on Wednesday 24th July 2019 at 12:00pm and we return for the new school year on Wednesday 4th September 2019
