

# Privacy Statement

Quantum Binders is totally committed to protecting the privacy of our site visitors and customers. Quantum Binders uses other Internet sites so fully appreciate and respect the importance of privacy on the Internet. We will not disclose information about our customers to third parties except where it is a necessary part of providing a service to you – e.g. arranging for a product/sample to be sent to you.

## Your Consent

We will not rent or sell your name, address, e-mail address or personal information to any third party (excluding partners from whom you may have linked to our site) without your permission. If you have purchased subscribed to one of our newsletters and entered any of our competitions, or advised us of your e-mail address, post and telephone number we may occasionally update you on news and special opportunities via e-mail, post and telephone.

## Communication and Marketing

By providing Quantum Binders with your email, postal address, telephone number you consent to receive communication from us about our latest products and special offers which we think may be of interest to you, the information may also be used to notify you of products and services of third parties, which may be of interest to you.

## Opting out of Communication

You have the option to opt-out of receiving marketing communications from us and/or selected third parties. If you do not wish to receive marketing (emails, postal, telephone) from us and/or selected third parties we recommend you opt-out by emailing us at the email address at the bottom of this page.

## Checking your details

If you wish to verify the details you have submitted to Quantum Binders you may do so by contacting us via the e-mail address, or address given below. Our security procedures mean that we may request proof of identity before we reveal information.

## What are Cookies?

A cookie is a small information file that is sent to your computer and is stored on your hard drive. If you have registered with us then your computer will store an identifying cookie which will save you time each time you re-visit Quantum Binders, by remembering your email address for you. You can change the settings on your browser to prevent cookies being stored on your computer without your explicit consent.

## Contacting us

We are always pleased to hear from our customers. We are always grateful for any time you spend providing us with the knowledge we need to ensure our customers are completely satisfied – we want you to return to the site. If you have any questions or feedback about this statement please do not hesitate to contact a customer service member of Quantum Binders, who will be delighted to answer any questions you may have.
