# AMAZING ENGLISH

Enriching Young Learners

ENGLISH CLASSIC

# Challenges

In Current Teaching-learning Practice

- Inadequate teaching aids and use of conventional lecture method

- Lack of technology translated solution in classrooms

- Unbalanced teaching approach

- Non-graded grammar concepts

- Lack of constructive, innovative and creative teaching

Teaching materials and teaching style must reflect the change in the real world and should prepare students for a world which is yet to be there.
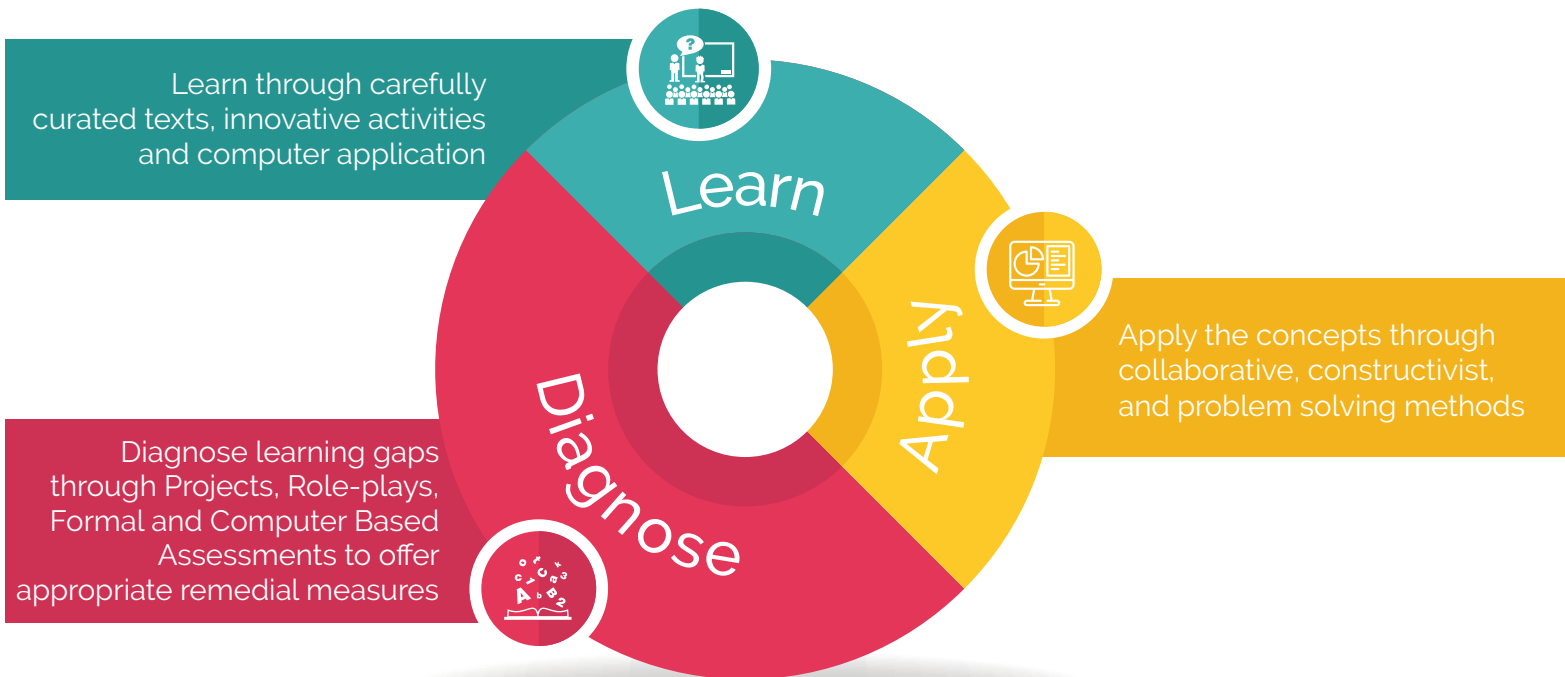

# Learn English The Classic Way

**Presenting Nguru English Classic Series – An integrated Solution for English Classroom**

English Classic Series 'Amazing English' based on NCF 2005 guidelines and latest CBSE curriculum reflects a new paradigm in teaching of English. The series with a focus on Multiple Intelligence of the learners provides such facilities and resources that will enable 21st century learning.

Contextual and cross-curricular content

Innovative classroom activities

Spiral progression

Inter-disciplinary approach

Developed for the 'Generation Z' learners' who are digital natives and are competent to understand as well as master advancement in technology.

Contemporary topics and Projects

Computer based Interactivities

Life Skills

# Pedagogy

Language is central to one's intellectual, social and emotional development and has an essential role in all key learning areas. Thus, English Classic focuses on building learner's competency in listening, speaking, reading and writing skills (LSRW ) through the LAD **(Learn-Apply-Diagnose)** methodology, which also promotes creative, critical and analytical thinking skills among learners.

Learn through carefully curated texts, innovative activities and computer application

**Learn**

**Apply**

Apply the concepts through collaborative, constructivist, and problem solving methods

**Diagnose**

Diagnose learning gaps through Projects, Role-plays, Formal and Computer Based Assessments to offer appropriate remedial measures

# Transformation
# The Fun Way – Outcomes

English Classic series will be able to transform the learner by inculcating:

Ø Communicative Competence: grammatical, linguistic, sociolinguistic

Ø Problem solving abilities

Ø Critical, Analytical and Creative Thinking Skills

Ø Technological, Information and Media Fluencies

Ø Multiliteracy skills

Ø Sensitivity towards changing social dynamics and socio-cultural diversity

# Setting Milestones In Innovative Learning

At NIIT Nguru, we believe that learning without fun has little impact and is not learning for life. With a holistic range of K-12 learning solutions, NIIT Nguru aims to make the process of teaching and learning simpler. Nguru is an amalgamation of technology and education where learning is co-incidental rather than the conventional. NIIT Nguru transforms the regular content into a new learning everyday by incorporating technology in curriculum with real-life examples. With our modern and advanced fun learning approach, we try to bring back the joy of learning for students.
