

The policy summary does not contain the full terms and conditions of your policy. A copy of your horse insurance policy terms & conditions will be sent to you along with your first Horse Insurance Schedule and at each subsequent renewal – when read together, these contain the full terms and conditions of your policy.

This is a 12 month policy contract, renewable each year. At each renewal, any changes to your policy terms & conditions will be notified to you. At each renewal and at each mid-term adjustment you will be issued with a replacement Horse Insurance Schedule showing your updated cover.

A duplicate copy of your policy terms and conditions is available to you at any time on request and can be downloaded from www.millins.co.uk

The policy is underwritten by Allianz Insurance plc and OIM Underwriting Limited on behalf of Royal & SunAlliance plc, AIG Europe Ltd. & Aviva Insurance Ltd. It is administered on their behalf by Millins Chartered Insurance Brokers.

Significant Exclusions and Limitations:

Your Horse Insurance Schedule details any special terms, conditions and/or exclusions that apply only to you and your horse/s.

Your full Policy Terms & Conditions detail the exclusions that apply to you and also to all other policyholders. Policy terms and conditions, premiums and excesses may change each year. The main exclusions and limitations contained in the full policy terms and conditions are detailed below:-

- You must take all reasonable precautions for the safety of any insured horse and insured property to prevent injury, illness, disease, theft or damage. This includes but is not limited to undertaking all routine preventative measures as recommended by your veterinary surgeon. In the event of a disagreement between you and us regarding whether precautions taken are reasonable or not, then a deciding opinion will be sought from an independent third party – for example a Vet. The independent third party must be mutually agreed by you and us, and their decision will be binding on both you and us. (see General Condition - Reasonable Precautions on page 17 of your policy)
- You can insure your horse from 30 days of age onwards (see About your Horse Insurance on page 1 of your policy)
- Once your horse reaches 16 years, cover for death, loss of use and veterinary fees is limited to accidental external injury only unless special arrangements are made and the additional premium is paid. You may also chose to insure younger horses for accident only (see your personalised Horse Insurance Schedule to check if your cover is accident only under sections 1a (accident only death); 5a (accident only loss of use) and/or 6a (accident only vet's fees)
- Your policy does not cover any illness, disease or injury that occurred before your policy started (see General Exclusion (J) on page 16 of your policy)
- Your policy does not cover any illness or disease within the first 14 days of cover (see exclusion (g) of sections 1 (death); 5 (loss of use) and 6 (vet's fees) on pages 4,8 & 10 of your policy).
- Your policy does not operate whilst you take part in any illegal activity, such as Hunting with Hounds (see General Exclusion (I) on page 16 of your policy)
- Your horse must be kept in the United Kingdom (including the Isle of Man and the Channel Islands) to be insured under the policy (see Policy Definition - Territorial Limits) on page 2 of your policy)
- Your policy does not cover costs charged by your vet for completion of insurance claim forms (see exclusion (n) of section 6 (Vet's Fees) and section 6a (accident only vets fees) on pages 10 & 11 of your policy)
- The use of specialist diagnostic procedures must be referred to us in advance (see special condition 3, applicable to Vet's Fees Sections 6 & 6a on pages 10 & 11 of your policy)
- Death of Horse, Permanent Loss of Use and Vet fees claims must be reported to us within 12 months of onset (see exclusion (a) of sections 1 (death), 1a (accident only death), 5 (permanent loss of use), 5a (accident only permanent loss of use), 6 (vet's fees) and 6a (accident only vet's fees) on pages 4, 5, 8,9,10 & 11 of your policy)
- In the event of the death of your horse, you must give us at least 24 working hours notice of the death and the carcass must not be disposed of without our consent, nor before we have confirmed whether or not we require a Post Mortem (see special conditions 3 & 4 of sections 1 (death) and 1a (accident only death) on pages 4 & 5 of your policy)
- Your policy does not provide cover under section 4 - Public Liability where cover is provided by any other insurance (see Other Insurances on page 18 of your policy)
