## Industrial Product Range

Whitelink have been established for 30 years and has extensive experience and knowledge in the manufacturing and engineering industry. Based in Birmingham, we manufacture our own brand of industrial tyres and wheels. Our product range includes:

### Rubber

Rhino tyres are engineered and compression moulded in our Birmingham factory using the finest quality natural rubber.

- Reliability/Long Life
- Low rolling resistance
- Heavy Duty Compounds
- All Products Carry Lifetime Guarantee
- Electrically Conducting
- Non – marking
- Press on Band
- Check out our website for size listing

### Polyurethane

Specialist Polyurethanes are available for specific applications:

- ORANGE** All standard retyring jobs
- WHITE** Non-Marking Polyurethane
- GREEN** Polyurethane for extreme loads at slow speed
- RED** High Load Polyurethane
- MAROON** Super High Load Polyurethane
- BLACK** Polyurethane in a soft shore hardness
- BLUE** Cold store polyurethane for wheels running in temperatures up to -26 degrees

#### Green Issue:

- Don't dispose of old wheels
- Have them re-engineered in our Birmingham factory
- Many wheels are also available on service exchange
- Collection / Delivery Service of Wheels
- Save The Planet and Reduce your Carbon Footprint!

### Wheels

Whitelink fabricate wheels for theme parks, theatres, warehouses, suspension bridges and many more.

- Bespoke Manufacture
- Unlimited shape and size
- Tailored to customers needs
- Ex Stock, Supplied as fitted or rims

If there is a wheel or roller involved then we can cover it!
