

ENVIRONMENTAL POLICY

It is the policy of Langley Mechanical Services Limited to provide and maintain environmental working conditions, which are safe and without risk to the health of employees, the community at large and the natural habitat by;

- Providing and maintaining environmentally safe equipment, materials and systems of work and workplace.
- Controlling the use of hazardous substances, the emission of noise, air and water pollutants and the discharge of toxic or obnoxious waste.
- Implementing environmentally safe practices and procedures in connection with the use, handling, storage, transport and disposal of articles and substances.
- Providing information, instruction and training for employees to enable them to understand their responsibilities with their place of work.
- Developing, implementing and reviewing policies and procedures to develop environmental conditions, which are without risk to the well being of the workforce, our customers, the local community or the natural habitat.
