

## BUILDING ON EXPERIENCE SINCE 1947

COP Construction LLC (COP) is a premier provider of trusted and innovative heavy civil construction solutions within both public and private sectors. We are driven by our commitment to safety, excellence and integrity. Our ability to successfully perform as a general contractor or a design-build partner knows no boundaries.

A collaborative “can do” approach to our work has been the trademark of the company for well over 60 years. Our tradition of high-quality, innovative construction solutions include:

- Industrial Energy
- Mechanical & Process Piping
- Municipal Utilities
- Water Lines
- Sewer Lines
- Storm Drains
- Pile Driving
- Shoring
- Demolition
- Dewatering
- Concrete Structures
- Foundations
- Dams & Reservoirs
- Bridges & Overpasses
- Streets & Roads
- Subdivisions
- Water & Wastewater Treatment Plants
- Excavation & Grading
- Hydro Excavation

## THE RIGHT PEOPLE ON THE RIGHT PROJECT

We employ approximately 200 full-time personnel with a diverse range of expertise. Many of our people have been with the company for decades. With access to this vast resource of experience and knowledge, we have the ability to create the perfect team for every project.

## SAFELY AND RESPONSIBLY EXCEEDING EXPECTATIONS

As an industry leader, we hold ourselves to the highest standards of safety, citizenship and fiscal responsibility. We believe there is no greater importance than the well-being of our employees, partners and communities. To this end, our employees are provided with proper training and equipment, every project is carefully evaluated, job site safety analyses are performed, and regular safety meetings are conducted.

Our financial strength also contributes to our ability to successfully complete each project. This strength is evident in our ability to bond a single project up to \$60 million and \$130 million aggregate.
