

Export Order Form

Thank you for your interest in purchasing General Finishes products. Until we change our web site, we have a temporary solution for placing orders for all products except Gel Stain from EU countries outside Mainland Britain. This form also applies if you are purchasing from Northern Ireland.

1. Check your country is on list below.
2. If you are not on mainland (e.g. on an island) you will have to arrange delivery to a mainland address.
3. Look up the shipping cost based on items being ordered. Note a 473ml tin weighs about 0.7Kg, and 946ml about 1.2Kg and 3.785 litre about 4.5Kg but each product does vary. The weight of packing also needs to be added typically adding 10% to the weight. If the cost is not as you estimate we will contact you before any payment is taken.
4. Fill in all details on the form.

Orders are normally despatched within 2-3 working days.
