YOUR COMMENTS ON THE CASE

Please provide your representation below.

My comments may be found here: <http://www.rudloescene.co.uk/news/pickwick/> in the link at the foot of the article dated 6th December 2013. Indeed, these 'Pickwick' webpages contain many articles relating to this speculation which should be read in conjunction with the webpages for other west Corsham localities - Rudloe, here: <http://www.rudloescene.co.uk/news/rudloe/>; Wadswick, here: <http://www.rudloescene.co.uk/news/wadswick/> and Potley, here: <http://www.rudloescene.co.uk/news/potley/>.

These webpages give an indication of the scale of greenfield speculation in west Corsham which has numerous brownfield sites with planning applications that should be given precedence by the planning authorities. They may also give an indication of the amount of distress caused to local people and the considerable time wrenched from their daily lives through worrying over and fighting this speculation.
