### 'Efficient Install And Fantastic Condition'

Marquee Magic provided an extremely clean and unmarked marquee for our client's event at Wembley, they got it in and out within the tight timescales allowed with no fuss, and coped with our last minute change of size without batting an eyelid. Great, job, thanks.

## 'Excellent Again'

'Great service again; Tony and team were extremely helpful and accommodating of our needs. The marquees were clean and in great condition, as was all other equipment. The team setting up and undertaking the de-rig were courteous and efficient - reflective of the high standards Marquee Magic aspire to.'

## 'ST PATRICKS' DAY SUCCESS

The Irish Guards contracted Marquee Magic to deliver a Marquee to facilitate a lunch fit for a Prince (HRH The Duke of Cambridge) William - Colonel of the Irish Guards. Right from the start Marquee Magic were easy to work with and showed co-operation and flexibility to be able to alter the plan as and when required. They delivered to the highest standards and at a very competitive price and we will be contracting their services to deliver marquees for other high profile events. I would have no hesitation in recommending them - a truly professional company.'

## 'Corporate Summer Party

Just a quick note of thanks to you and your team for your professional service in setting up/setting down the Marquee for our event yesterday. We were all extremely impressed by how quick you were able to set the marquee up, and even more impressed by the time it took to get it down again! The Marquee was clean, spacious, and the carpet was perfect for our needs. I will be adding your details as our preferred supplier for marquee hire in the London area - it's not something we do very often, but I anticipate that we will have a similar event next year and I'll be back in touch nearer the time.

Thanks again for making my job a lot easier!

Best Wishes  
Kirsty

# Clearspan Marquee's

The Clearspan Marquee is exactly as the name suggests – with no internal poles you have the advantage of being able to use all of the internal floor space.

Our Clearspan Marquee's are available in widths of 6, 9, 12, 15 & 20 metres and are also modular in length, which means you can make the structure as long as necessary.

# Leader Oriental Marquee

The Leader Oriental Marquee also known as the “Chinese Hat” or “Pagoda” Marquee is the most visually stunning in our collection. With no internal poles or framework supporting the structure, it’s sweeping roof is more than eye catching!

As there is no internal framework, the Leader Oriental Marquee can be used with or without interior lining or with the latest “Cristal Clear” PVC roof & wall coverings.

# Hexagonal Leader Oriental Marquee

The Hexagonal Leader Oriental Marquee gives you all the benefits of the Leader Oriental Marquee (no internal framework or poles etc.) but with six sides! Providing something that is not only unusual but visually stunning at the same time.
