HepaFlo bags, clean to use and empty

Harry HHR200

Harry was developed specifically for pet loving people, he has all the features of Henry with the same power, but there are two extra and important pet friendly features.

The MicroFresh activated charcoal odour retention filter, which will minimise the odour problems pets can create.

Harry also comes with the unique dual purpose HairoBrush which has excellent hair pick up performance on both floors, and equally as a hand brush on upholstery and fabrics.

MicroFresh filter

HairoBrush

All the features of Henry plus...

Charles CVC370

If you need a machine for wet and dry use that is totally without compromise, then Charles is the vacuum cleaner for you.

Charles can be up to his neck in dust and dirt one minute and unblocking your drain or drying your floor the next.

Incorporating our full Bypass AirFlo motor giving professional cleaning ability.

With big filters and disposable HepaFlo dust bags for dry use, a safety float valve for wet pick-up, and a comprehensive accessory kit included Charles is ready to tackle almost anything that comes along, wet or dry.

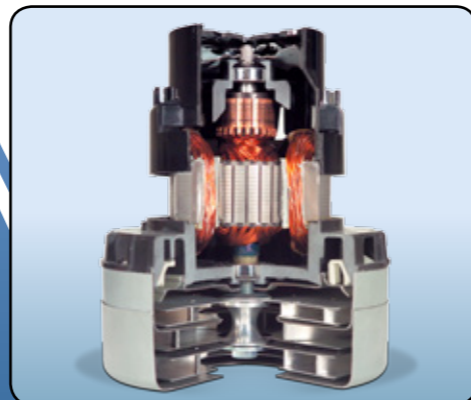

Model	Motor	Power	Suction H ² O	Airflow	Kit	Capacity	Range	Weight	Dimensions WxLxH
CVC370	1060W	230V AC 50/60Hz	2400mm	38L/sec	A21A	9L Wet 15L Dry	26.8m	7.1kg	355x355x510mm

Wet pick-up nozzle

- **Bypass AirFlo Motor**
Reliable, professional Bypass AirFlo vacuum motor.
- **Float Valve**
Safety float valve for wet pickup.
- **Tritex Filtration**
Tritex filtration system improves filtration, cleanliness and capacity.
- **Carry Handle**
Convenient carry handle.
- **HepaFlo Bags**
Easy to change HepaFlo bags. NVM-2BH pack of 10 PN:604016
- **Professional Accessories**
A tool for every job, full accessory kit (A21A) including a Lightweight aluminium tube set which will never rust. (See page 15 for full accessories)

George GVE370

A true "all in one machine" be it dry vacuuming, wet vacuuming, scrubbing and drying hard floors, deep cleaning the carpet, cleaning the upholstery or unblocking the sink George is your man.

When dry vacuuming you have big filters and a dust bag. In wet mode, a simple exchange of the dry filter for the safety float valve allows any number of wet tasks to be achieved.

When in carpet cleaning mode the tank within a tank system maintains the compact convenient size.

Extraction pick-up

Reversible scrub head

Reversible squeegee head

- **Tritex Filtration**
Tritex filtration system improves filtration, cleanliness and capacity.
- **Carry Handle**
Convenient carry handle.
- **HepaFlo Bags**

- **Quick Change**
Quick easy change between wet and dry system.
- **Tank Within a Tank**
Simple, clean and efficient. This unique design allows an easy to fill and quick to change system.

Hand held upholstery nozzle

Model	Motor	Power	Suction H ² O	Airflow	Kit	Capacity	Range	Weight	Dimensions WxLxH
GVE370	1060W	230V AC 50/60Hz	2400mm	38L/sec	A26A	9L Wet 15L Dry	26.8m	8.8kg	355x355x510mm

SprayMop HM40

The Henry (or Hetty) SprayMop combines all the real advantages of Microfibre floor mops and can be used dry or wet, with or without cleaning agents or disinfectant.

Our on-board liquid dispenser, foot or hand operated, ensures that the mop head can be maintained in a damp condition at all times allowing larger surfaces to be thoroughly cleaned without the use of a bucket.

Faster maintenance of hard floors.

Easy fill detachable spray bottle

Cleaning fluid dispenser

Microfibre machine washable flat mop

Replacement Nylostripe pocket mop PN: 629219 (10 pack)

Optional Accessories

With each Homecare model we have provided a comprehensive accessory kit to compliment the machines function and performance.

HepaFlo Dust Bags

All Homecare machines use our high efficiency, giant HepaFlo dust bags ensuring excellent performance and clean and simple emptying.

HepaFlo NVM-1CH 10 per pack (604015)
Fits all James, Henry, Hetty & Harry models.

HepaFlo NVM-2BH 10 per pack (604016)
Fits all Charles and George models for dry use only.

Filters

For Homecare models there are optional filters to achieve a range of filtration requirements.

MicroFresh Odour Control Filter (604170)

The 3-layer Microfresh filter system enhances filtration standards to 98% at 0.5 micron but equally important, it embodies a giant activated charcoal filter membrane sandwiched between twin Tritex filters, providing an effective odour control system for pet loving people!

MicroTex Filter (604311)

This multi-layer high efficiency filter has been developed for the Henry Micro machine and when used in conjunction with the HepaFlo NVM-1CH dust bags (above) will upgrade the machine to the full British Allergy Foundation approval standard (Dry Use Only).

Brushes and Nozzles

Airo Brush Red (601226), Airo Brush Black (601227)
Unique AiroBrush for superb carpet care, fits all models.

HairoBrush (601228)
Unique HairoBrush for excellent pick up of pet hair especially on furniture and stairs. (Harry).

ProFlo 300mm (601132)
