SWANSTON SQUARE FEATURING 18 CUSTOM SOLID FINISHES

LOCATION: Carlton, VIC
ARCHITECT: ARM Architecture
BUILDER: Probuild Constructions
PRODUCT: Vitrabond

Swanston Square adds a new dimension to Melbourne's urban landscape. The 18 custom Vitrabond colours have been utilised to form a pattern, an interpretation of a topographic map which runs across the building's facade; providing vibrancy against its surrounding grey structures.

Each colour is also featured in the lobbies and in the eight different interior colour palettes for the apartments.

The map extends to the podium carpark at the south-western corner of the tower.

Swanston Square was awarded winner as part of the 2015 Urban Taskforce Development Excellence Awards, for Best High Density Residential Development.

Swanston Square is truly a stunning example of colour utilisation in architecture.

JOULIA APARTMENTS MONUMENT GREY 1270

LOCATION: Brunswick East, VIC
ARCHITECT: MAP Architecture
BUILDER: Hamilton Marino Builders
PRODUCT: Vitrabond

Located in Melbourne's up and coming Brunswick East; Joulia Apartments bring a much needed contemporary edge in an area flush with traditional architecture.

The use of Monument Grey 1270 conveys authority, however the fluid vertical screens soften the structure; drawing the eye to a human scale in the process.

GREEN INSPIRED BY NATURE

Green is the colour of life, renewal, nature, and energy, and is associated with meanings of growth, harmony, freshness, safety, fertility, and environment.

It has healing power and is understood to be the most restful and relaxing colour to the human eye. Green can help enhance vision, stability and endurance whilst enlightening renewal, growth, and hope.

OAK APARTMENTS SPRING GREEN 1540

LOCATION: Preston, VIC
ARCHITECT: Petridis Architects
BUILDER: SP Builders
PRODUCT: Vitrabond

Situated just off High Street in Preston; Oak Apartments forms part of the suburban apartment movement in Melbourne.

The utilisation of Spring Green 1540 sets this project apart from those buildings that surround it. Oak Apartments is definitely one of our more striking residential projects.

Blue represents both the sky and the sea, and is associated with open spaces, depth, freedom, intuition, imagination, and sensitivity.

It has positive effects on the mind and the body. As the colour of the spirit, it invokes rest and can cause the body to produce chemicals that are calming and exude feelings of tranquility. Blue helps to slow human metabolism, is cooling in nature, and helps with balance and self-expression.

DEVONPORT POLICE STATION MARINE BLUE 1460

LOCATION: Devonport, TAS
ARCHITECT: Philp Lighton Architects
BUILDER: Mead Con
PRODUCT: Vitrabond

The original Devonport Police Station was constructed in 1964 and whilst it was maintained to a satisfactory level; the design and facilities were not appropriate for optimal police services. Philp Lighton Architects was commissioned to design a new station to provide sufficient accommodation for the Mersey State Emergency Unit which was relocated some years back.

Vitrabond Marine Blue was utilised as part of the Tasmania Police branding requirements; providing a distinguishable appearance.

YELLOW

INSPIRED BY CONFIDENCE

Yellow is the colour of sunshine, hope, and happiness; representing freshness, positivity, clarity, energy, optimism, enlightenment, and joy.

It can be warm, cheerful, increase mental activity and energy, and help activate the memory, encourage communication, enhance vision, build confidence, and stimulate the nervous system.

PORT BOTANY CONTAINER TERMINAL POISE YELLOW 1120

LOCATION: Port Botany, NSW
ARCHITECT: Woods Bagot
BUILDER: Grindley Constructions
PRODUCT: Vitrabond

Port Botany is Australia's second busiest container port, servicing a market supported by the largest population base in Australia.

The three storey Operations building was developed for the ship side workers who occupy the ground floor of the building, with the upper floors for management and clerical staff. Vitrabond was utilised as the façade to achieve a commercial feel; mirroring the clients' intent of the finishes.

ORANGE INSPIRED BY WARMTH

Orange; the colour of warmth, heat and sunshine, is associated with meanings of enthusiasm, success, encouragement, change, determination, health, stimulation, enjoyment, and fascination.

It is stimulating, vibrant, and flamboyant and is said to help aid decision making.

METRICON STADIUM

POPPY RED 1677

LOCATION: Carrara, QLD
ARCHITECT: Populous
BUILDER: Watpac Australia
PRODUCT: Vitrabond

Home to the Gold Coast Suns AFL team; stewardship and sustainability were the guiding principles of Metricon's environmental design, making it Australia's most efficient stadium.

The stadium is well recognised for the use of the striking red; a reflection of the energy and excitement generated through sporting.

BEIGE & BROWN

INSPIRED BY ELEGANCE

Brown; the colour of earth, wood, stone, wholesomeness, reliability, elegance, home, and honesty. It is a natural, neutral colour that is typically associated with the seasons of autumn and winter.

The colour brown represents steadfastness, simplicity, friendliness, dependability, and health.

TRILOGI APARTMENTS ORNATE BROWN 1350

LOCATION: Prahran, VIC
ARCHITECT: Plus Architecture
BUILDER: Contexx
PRODUCT: Vitrabond

Plus Architects had a vision for this project: to develop three unique buildings that represented 'paper, scissors, rock', aimed at creating an unmistakable design differentiation from other developments in the area.

Fairview worked tirelessly with Plus Architects and Cayden to develop the colours, effect and appeal of the 'Rock' building, both parties had visualised. This project allowed us to take an innovative approach, developing various mock-ups in-house and ultimately presenting the chosen solution.
