

Industrial Floor Treatments Ltd (IFT) specialises in the application of integrated flooring services to suit the needs of industry and commerce. IFT is committed to caring for the Environment in all of its operations.

The company policy statement has been defined by the Board of Directors as follows: -

- To work in partnership with accredited manufacturers who are dedicated to developing and continually improving the environmental credentials of their product range.
- To comply with Regulatory Environmental Policies, and all other relevant Acts and Regulations.
- To ensure estimates take account of Environmental considerations and all relevant Codes of Practice.
- To ensure all levels of personnel receive adequate and appropriate training in environmental matters.
- To ensure substances, which are hazardous to both health and the environment, are handled safely.
- To ensure continual improvement and the prevention of pollution and a commitment to the protection of the environment.
- To comply with the requirements of our Integrated Management Systems (IMS), ISO 14001, other applicable requirements, and to continually strive to improve the IMS.
- To continually review work procedures and systems, with environmental improvement being an ever present objective in order to enhance our environmental performance.
- To use this Policy as a framework for setting and reviewing the Environmental Objectives and Targets.

Implementation, monitoring and review of this policy

This policy will take effect from 19 September 2019. The Managing Director has overall responsibility for implementing and monitoring this policy, which will be reviewed on a regular basis (at least annually) following its implementation and additionally whenever there are relevant changes to our working practices. Any queries or comments about this policy should be addressed to the Managing Director.
