# Platinum Polymers Pvt. Ltd.

[www.platinumpolymers.in](http://www.platinumpolymers.in)

We are one of the reputed manufacturer, supplier and exporter of pouches, bags and packaging material. The quality and prompt delivery of our products is highly valued by our clients.

## Profile

Established in the year **1992**, we "**Platinum Polymers Pvt. Ltd.**", are among one of the leading manufacturer, supplier and exporter of **Packaging Material, Pouches, Bags** and **Film Making Machines**. Our products are highly acknowledge by our respected clients for its various features. These features are moisture-proof, resistant to dust and abrasion and maintaining the freshness of the packed product. These products are manufactured by using high grade material. We are widely appreciated by our clients for the prompt deliveries and accuracy of our products.

Our state of art facility is designed to facilitate maximum production without any delays or interruptions. All the above mentioned factors have been instrumental in building a huge client-base for us. Divided in departments for better management, all of us strive hard to provide our clients with the best available products. We have established state-of-the-art infrastructure set up with the latest and advanced technology machines and tools that enhance the functionality and performance. Apart from all this all our products are checked and tested to match the industrial standards of quality.

Under the guidance of our three mentors and directors, "**Mr.Mitesh Poshia, Mr. Prem Motwani & Mr. Ashish Desai** " and chairman "**Mr. Bipin Poshia** ", Their immense knowledge in this field has been motivated us to put our best efforts and to achieve our organizational goals on time. Due to our wide range, we have attained a huge clientele from all across the globe.
