

SUPPORTING THE OIL INDUSTRY

Case Study : Gas Exploration

The logo for Saxon, featuring the word "Saxon" in a black, sans-serif font. A red curved line starts under the 'o' and sweeps upwards and to the right, ending under the 'n'.

Background

Saxon Energy is a Canadian premier Oil & Gas Exploration Services company providing services for the majors around the world.

Opportunity

Saxon needed Satellite Services to support the communication needs for two major Gas exploration projects in Australia.

Support was required for a total of 30 sites across Australia.

Results

SpeedCast invested in a VSAT hub in Perth in order to support Saxon's requirements.

SpeedCast's investment delivered superior performance and capabilities for Saxon.

The logo for SpeedCast, featuring the word "SpeedCast" in a dark blue, sans-serif font. To the right of the text is a stylized graphic consisting of three overlapping triangles in shades of green, blue, and red. Below the main text is the tagline "Wherever You Are" in a smaller, grey, sans-serif font.
