

Nunthorpe Academy

Dear Parent(s) / Carer(s)

April 2020

We are delighted that your son / daughter has secured a place at Nunthorpe Academy from September 2020 and we would like to take this opportunity to welcome you.

The partnership between the Academy and yourselves is of vital importance. We appreciate you want the very best for your son / daughter and we will endeavour to play a full part in the development of an effective relationship, which will directly benefit their education.

With the closure of secondary and primary schools nationally due to COVID-19, there will be some uncertainties over the coming weeks and maybe months. As a result we are unsure when we will return as a school community and therefore we are unable to access your son / daughter's primary school to collect the relevant information we require to ensure a smooth transition.

To help us with the gathering of information can I please request that you email me at transition@nunthorpe.co.uk with the subject containing your child's name and primary school. Within the email could you please identify if your son / daughter will be attending the transition week (*if we have returned to school*) and a mobile number to contact you on. To ensure you receive all the relevant information can I please request that you start following the 'Nunthorpe Academy' [Facebook](#) and [Twitter](#) pages as this is where we will inform you of any letters that have been sent out as well as any vital information you require.

**Calendared dates for this year's transition are:*

Monday 13 July – Friday 17 July 2020, 8.30am – 3.00pm daily. Students transferring to Nunthorpe will spend time in the Academy working with their peers, meeting their form group and experiencing a typical Year 7 timetable. Parents/Carers will also be invited to attend the Parents' Evening on **Tuesday 14 July 2020 starting promptly at 5.30pm**. At this time these dates are provisional and cannot be guaranteed – further details will follow, hence the request for information.

We are looking forward to your son / daughter joining us in the near future and are sure that their time at Nunthorpe will be extremely enjoyable; we also look forward to meeting you too. If, however, there are things you would like to discuss before the meeting, then please do not hesitate to me contact Julie Thomas (Year 7 Progress Leader) via email at jthomas@nunthorpe.co.uk.

Yours sincerely

Kate Kell
